Engineering designs will get more specific measurements. Stall barn will be open to the north and roof will tilt to south so snow falls in the grassy arena. Alyssa mentions that the decision maker on the stall barn RFQ is the Fair & Fairgrounds Manager, the motion is for the Board to recommend approval. Tere withdraws motion.
Tere makes a motion to recommend approval of the RFQ to Fair & Fairgrounds Manager and staff. Hannah seconds. No further discussion, all in favor.

c. Fair Internet
Rachel and Sarah met with the IT department to figure out issues encountered during Fair. IT proposed to close that access point in the Heritage Arena so that it is only available to 4-H during livestock sale; it would be password protected. Silver Star added an access point around the Fair Office. It would be possible to open it up, but the Fair Board would need to pay for it.

Matt motions to include $1,000 in the Fair 2020 budget for free WiFi at fair. Hannah seconds. No discussion. None in favor, all opposed.

d. New Fair & Fairgrounds logo

The Fair Board discusses the role JH Live has played in the past with booking and hosting talent for the Fair Kickoff Concert as well as costs associated with putting on the concert. Alyssa reminds the Board that they are able to negotiate with JH Live to bring the cost down. Sarah reiterates that, per the county’s procurement policy, three quotes must be obtained for services over $5,000.

Steve motions to have staff put together a scope of work for the concert booking and hospitality. Matt would like to amend the motion to
