The mission of the Teton County Fair Board is to produce and administer the year round use of the fairgrounds while promoting the western heritage.

GENERAL INFORMATION
The Teton County Fair will not be held responsible for the loss of any article or animal (exhibited at the fair) either during the progress of the fair, or while enroute to or from the fair. Nor will it be held responsible for the safe return of any exhibit to its owner, although due care and caution will be exercised to prevent all loss and damage. The management will consider it a great favor if the visitors will report any mistreatment or extortion practiced by an employee of the fair or concessionaires. DO NOT WAIT UNTIL THE FAIR IS OVER TO FILE A COMPLAINT. DO IT IMMEDIATELY! Correspondence on all matters in relation to the fair is solicited and its officers will promptly furnish information desired.

SECURITY
Police protection and night security services will be provided by the Fair Board, but accepts no responsibility for loss or damage. The Teton County Fair claims no responsibility for LOSS, DAMAGE OR INJURY TO LIVESTOCK, OR PERSON, OR OTHER PROPERTY belonging to any individual while said property is being exhibited or used in connection with the Teton County Fair. Security Guards will be posted in the Exhibit Hall every day it is open to public viewing and in the Heritage arena 24 hours a day while animals are on the grounds.

STAY HEALTHY AT ANIMAL EXHIBITS - WASH YOUR HANDS OFTEN
Always wash your hands after petting animals or touching the animal enclosures, especially before eating and drinking. Adults please supervise children. Keep food and drinks out of animal areas. Do not share your food with animals. Do not allow children to kiss or allow their mouths to come into contact with animals or their enclosures. Do not allow small children who may have touched any animal to stick their fingers in their mouth or eat any food before their hands have been thoroughly washed. All of our restrooms have hot water and soap. Please use them often. We also have portable hand-washing facilities throughout the grounds.

In 1999, Mary was the winner of the Teton County Fair High Point buckle. She passed away only two months later following a lengthy battle with cancer. The Teton County Fair Horse Show Committee wishes to commemorate Mary’s spirit, strength and sportsmanship by presenting an award each year to an exhibitor who carries with them these same qualities. Each competitor in the Non-Pro Western Performance classes on Sunday, July 26th will be judged on their sportsmanship throughout the day. 2. This is a double judged event that must be completed within a five (5) minute time limit. Women’s Division will have a 4 1/2 minute time limit. No tie-downs or martingales. Riders will receive a “no score” for parts not completed.

Riders must ride with one hand. Dry work: Element order to be posted the morning of the show.

10 pts Time will be flagged. Walk to and across the bridge. Jog to the trailer, dismount on right side.
10 pts Pick up all four feet.
10 pts Load horse in the trailer. Back horse out. Mount horse on left side. Youth will not load horse.
10 pts Pick up rope and drag obstacle 15 feet. Turn obstacle and drag back to place of origin. (Youth 12 & Under will not drag log)
10 pts Turn and lope to east flag, stop rollback to the right, lope past west flag, stop and rollback to the left, lope back to the east flag. Stop. To receive maximum credit, a horse should approach the stop loping freely, willingly moving forward in a straight line. The stop should be straight and square and give the appearance of stopping because the horse is trained to stop, not because it is forced to stop. Settle horse four seconds.
10 pts Jog to gate. Open and close gate.
Cow Work - 20 points - Cow work will follow closing of the gate. Cow will be waiting. The work will consist of two segments, boxing or holding a cow at the end of the arena and turning a cow down the fence in both directions. Each of these segments will be worth 10 points. Open Division: Open Division will be asked to box the cow, turn the down both ways down the fence and then circle the cow each direction between the flags. Throughout the cow work, it must be remembered that the name of the game is controlling the cow. Judges may take into consideration what kind of cow each contestant draws in order to accurately judge the degree of difficulty in each credit earning situation. When a contestant is holding a cow at the end of the arena, maximum credit will be given to the horse that is obviously watching a cow and making counter moves to hold the cow at the end of the arena with the help of the rider. The more a horse is trying to do on his own, the more credit received. Maximum credit should only be given when the horse is in control of the cow when she is allowed to go down the fence. Maximum credit will be given to the horse that turns the cow at least once each way on the same fence that she originally went down. Horses will be penalized for losing control while boxing the cow at the end of the arena, getting out run down the fence, for running more than one horse length past the cow on the turn, hanging up on the fence, refusing to turn, running over the cow, biting, hanging back, and for generally losing control. Cattle should not be slammed into the fence more than once. Two loops permitted. Rider must bring own rope. Rider will attempt to rope and stop same cow. The roping will consist of 3 segments. Speed, Rate and Tracking - 10 points. Maximum credit will be given to the horse that shows ample speed going to cattle, races off so the rider can rope, tracks a cow that circles, ducks right or left and stays in position to allow the rider to rope. Women's Class Only: Will be asked to box cow, then turn the cow both ways down the fence. Call for time by raising hand to indicate cow work is complete. Time will stop when hand is raised. Immediately herd cow out gate. Youth Division: WILL NOT WORK THE FENCE. Youth Division will box your cow at one end of the arena, then drive your cow to the other end of the arena and box the cow. Call for time by raising hand to indicate cow work is complete. Time will stop when hand is raised. 12-Under—Will only box cow at one end of the arena. Call for time by raising hand to indicate cow work is complete. Roping - 20 points. No roping in Women's or Youth Classes. Catch and Dally - 5 points. The loop has to go over the cow's head. Rope is then dallied. Stop - 5 points. Maximum credit will be given to the horse that stops square and herds in a straight line with the cow, hind quarters underneath him. Time will be flagged when horse comes to complete stop. Upon completion of roping, herd the cow into the pen and ride through with cow. Scoring - bridge, feet, trailer, log, gate, and back will have a maximum of 10 points each. Reining will be 10 points: Cow Work - 20 points; Circling Cow in Open and Ladies Open - 20 points; Roping - 20 points for a total of 110 points per judge. Times will be used in breaking tied scores. A buckle awarded to the winner of each class. One person will receive the jackpot if there are 1-3 entries. Two people will split the jackpot if there are 4-7 entries. Three people will split the jackpot if there are 8-13 entries. Four people will split the jackpot if there are over 13 entries.

Contestants Meeting 8:45 a.m., First Round 9:00: a.m. 7/26/15
1. An entry blank must be completed and an entry fee paid before the entry deadline of 8:30 a.m., July 26, 2015.

2. Positions for all fiddlers will be drawn by lot by the Contest Committee prior to each round. A list of the order of play will be posted on the contest bulletin board at the contest tent.

3. Each fiddler will pay at least one round. Cuts in the number of fiddlers in subsequent rounds may have to be made if the number of fiddlers in the contest/division becomes excessive.

4. Division age qualification are as follows:
   - No Holds Barred Division: Any age
   - General Division: 13 years or older
   - Senior Division: 60 years or older
   - Junior Division: 13 to 17 years
   - Junior-Junior Division: 12 years or younger
   - Pee Wee Division: 8 years or younger

5. Fiddlers may enter only one division in addition to the No Holds Barred Division. This includes Junior Division aged fiddlers who wish to play in the General Division.

6. Any Fiddler who wins a division for three consecutive years is disqualified from entering that division in the contest for a period of one year.

**PLAYING RULES:** Contestants at each appearance (other than the No Holds Barred Division) must first play a hoe-down; second a waltz; and third a tune of their own choice other than a hoedown or waltz. No tune shall be played more than one time during all appearances of a contestant in any division of the contest. Suggested playing time is five (5) minutes or less. Points will be deducted by the judges if playing becomes monotonous, repetitious, or too lengthy. Contestants in all divisions (other than the No Holds Barred Division) may play without an accompanist or with not more than two (2) accompanists. Any danceable folk tunes played in old time fiddle style are acceptable. Contact microphones and amplified instruments will not be permitted. Except for the No Holds Barred Division, no trick or fancy fiddling will be allowed during the contest; no plucking of strings or cross tuning is allowed; and novelty tunes such as Orange Blossom Special, Listen to the Mockingbird and Black Mountain Rag will not be permitted. Trick or fancy fiddling will be permitted in the No Holds Barred Division. This division is still part of the fiddle contest and contestants are required to play the fiddle (rather than another instrument). There is a five (5) minute time limit for playing in this division. One (1) or more tunes may be played during the five (5) minute limit. Contestants may be accompanied by more than two (2) accompanists. No contestant may be related to any of the contest judges.

**JUDGING:** The judges will score the fiddlers for old time fiddling ability and intonation, rhythm or timing, and tone quality. All scores will be cumulative. Points will be deducted for any violation of the contest rules. Protests must be submitted in writing to either Contest Co-Chairmen, signed by not less than three (3) contestants, and submitted within one hour of the incident leading to the protest or before the announcement of the winners and awarding of prizes, whichever is sooner. Any contestant contacting any of the judges directly with regard to a protest will be immediately disqualified from the contest. All decisions of the Judges and the Contest Committee are final.

No Bull Banking

The first recorded Rodeo dates back to 1888. While Bank of Jackson Hole is not quite that old, it does have a rich tradition with the rodeo life of Teton County. The Rodeo Princesses were established in 1969 and not only have they graced our own Teton County Fair with their charm, but with their heart for social service as well; a value the Bank of Jackson Hole shares. Being the locally owned Bank where the decisions are made in Jackson Hole, we will get you qualified; perhaps not in 8 seconds, as in the rodeo, but darn fast. When the locals are loyal to their hometown bank, the bank will continually invest in their community. No bull.

2014 Best of Show - Tillie Robertson

DIVISION 1 - VEGETABLES
Display leafy vegetables (such as lettuce & spinach) in a wide mouth jar containing water. Display all others on a plain paper plate. Root vegetables should have the root intact. Brush dirt off, don’t wash. Rub with dry rag if needed, should be a clean item, not a table ready washed one.

**HOW TO PREPARE VEGETABLES FOR EXHIBIT**

**Beets:** Color and tenderness are desirable qualities in beets. Oversize should be avoided. As a rule, beets from 2-4” in diameter are best. Beets showing white streaks should be avoided. They should be smooth, without side roots or cracks, If topped, be sure that an inch of stalk is left on. **Beans, Green or Wax:** Snap should be under, rather than over mature. Long straight specimens the same length and color should be selected. Avoid stringiness. The pods should be free from rust spots, dirt and insect blemishes. The end of the bean should be left on, not broken off when picking it. The seeds in the pod should appear to be one-fourth to one-half grown. **Broccoli:** Cut stems before the first whorl of leaves. The length of the stem should never be over 6”. Heads should be compact, dark green (avoid yellowing) and free from decay, worms or damage caused by wilting or injury.

**Carrots:** Avoid oversize. Type is very important. Quality is best in the medium-size carrots. Color is very important. A deep orange carrot as nearly coreless as possible shows to a good advantage. Greenish and pale yellow specimens and coarse specimens should be avoided. Carrots should appear fresh, crisp, firm, smooth, clean and free from sunburn, side roots cracks or other damage. **Tomatoes:** Use only perfect shaped specimens true to type. Smooth, no green streak, ripe, but not too ripe. Must be solid. Display with blossoms up. **Turnips:** Medium sizes are generally desired as having higher quality. Large size may be bitter, and should be free of damage caused by freezing, pithiness, secondary rootlets. All samples should look alike, should be clean and bright in color, but not washed. Remove tops 1” above crown. **Radishes:** Crisp and tender, medium to large, uniform shape and color. Free from injury caused by disease, insects, growth cracks or damage while digging or handling. Clean and wash, exhibit with foliage; avoid pithy specimens.

4-H Donor & Buyer Appreciation Dinner!

YOU ARE APPRECIATED
AND WE WANT TO SAY THANK YOU!

The Teton County 4-H Council, 4-H members and staff cordially invite you and your family to a dinner in your honor to show our appreciation for the support you have given 4-H this past year.

**FRIDAY, JULY 24, 2015**

To be held at:

Teton County Fair
Under the Lions Club Tent
7:00 – 9:00pm

This Dinner is for 4-H Donors and Livestock Auction Buyers ONLY
GENERAL INFORMATION AND 4-H POLICIES

Only bona fide current 4-H Club members who are residents of Teton County Wyoming in good standing are eligible to compete for prizes offered in the 4-H division of the Teton County Fair. Non-residents need to work with their leaders and 4-H Educator to fulfill project requirements.

All 4-H members exhibiting in the 4-H portion of the Teton County Fair must be enrolled in that particular project for the current year and be in “good standing” under the 4-H rules and requirements and complete a fair entry before the deadline.

See the Teton County 4-H Council Handbook for clarification regarding “good standing” of 4-H members.

Age Divisions are:

Junior: 8-10 years old (by January 1, 2015)
Intermediate: 11-13 years old (by January 1, 2015)
Senior: 14-18 years old (by January 1, 2015)

It is the 4-H member’s responsibility to know all rules regarding their projects. The Teton County 4-H Educator has final approval/discretion of all decisions made in regard to rules and procedures of the 4-H program.

Showmanship:

All Animal project members must participate in Showmanship at the Teton County Fair.

State Fair Eligibility:

All 4-H animals receiving blue ribbons in State Fair recognized classes and the highest placing 4-H member from the Showmanship class attending State Fair are eligible to compete. Check the State Fair Book for rules and regulations. The 1" and 2" place Junior, Intermediate and Senior in each horse performance class is eligible to compete at state fair, provided the class is offered at state fair. If the 1" or 2" place chooses not to attend, it will be offered to consecutive places after that, until a representative is selected. Static exhibits receiving a purple ribbon are eligible to compete at State Fair.

4-H Entry Forms

All 4-H’ers must provide the Extension Office with a list of all exhibits they wish to enter (including member’s name, division and class numbers) in the Teton County Fair by date specified by the 4-H Calendar and Newsletter for the current year. All Entries are due by Monday, July 6, 2015 at 5:00 p.m. ENTRIES SUBMITTED AFTER THE DEADLINE WILL NOT BE ACCEPTED. All livestock entries must have a completed Teton County Wholesome Meat Certificate turned in with the fair entries.

National Code of Show Ring Ethics

As adopted by Wyoming State Fair Rodeo (condensed version)

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural
education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the “IAFE Code of Show Ring Ethics”, fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial, and national levels. All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers, and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards, and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

4-H LIVESTOCK INFORMATION

DEPARTMENT J

Ownership Deadlines

All paperwork is due in the 4-H Office by 5:00 p.m. on or before deadline date. 4-H members failing to meet deadlines will be prohibited from exhibiting that animal in the Teton County Fair.

Market Beef:  February 1 - Brand Inspection (Blue title copy)
Dog:  May 1 - ID papers

All other 4-H Animals except Horse:  June 1 - Proof of Ownership

Brand Inspections

1. If you plan to exhibit and sell a market animal in the Teton County Fair Livestock Sale, you must have the paperwork. The 4-H Office must have the blue title copy of your brand inspection on file by the ownership deadline.

2. Lamb: If you purchase the animal from Wyoming or any other state that requires a brand inspection on sheep, you need a brand inspection on the animal at the time of purchase. Idaho (and possibly other states) does not require a brand inspection on sheep so a Bill of Sale and health inspection from these states will suffice. The Teton County brand inspector will do a brand inspection on the lamb purchased from Idaho at the Fair.

3. Beef: If you purchase the animal from a state with a brand inspection program (Wyoming, Idaho, Utah, other states) you are required to obtain a brand inspection at the time of purchase. If the state does not have a brand inspection program, you need a Bill of Sale and health inspection.

4. Swine: Swine require a Bill of Sale only. Swine must be purchased from a Stage V State to enter Wyoming without testing requirements.

Animal Tagging

1. All market animals must have been tagged on the appropriate dates announced by the 4-H newsletter or your 4-H Leader. Members unable to attend designated weigh in times must make arrangements for their animal to be tagged by members of the Livestock Committee prior to the date. Without proof of tagging, members will be unable to exhibit animals at Fair.

2. Members must make sure that animals are correctly identified at tagging time (the right name of member with the right tag number) or they will not be allowed to show. There will be no exceptions.

3. Those 4-H’ers with more than two animals must select the two show choices by the entry date. Members may only bring two market animals from each species per market class to the Teton County Fair.

Health Certificates

The Wyoming State Vet has recommended that animals receive an “onsite” vet check the day that animals are brought on the fairgrounds. Teton County 4-H and the Teton County Fair Board require that all animals receive an on-site vet check to receive their animal health certificate. Vet inspections will be done on Wednesday of the Fair starting at 11:00 a.m. on Snow King Avenue in front of the Fairgrounds. Animals will remain in their trailers during the vet inspection. Vehicles trailering animals should approach the Fairgrounds on the west side via Snow King Avenue. Vehicles will be traveling east and vet inspections will take place in front of the Rodeo Arena/Heritage arena. Vehicles will then enter the fairgrounds through the East Gate and travel to the Heritage Arena to drop off livestock. Animals arriving from Alta, WY must be accompanied with a current health certificate(s) upon entering the vet inspection line. In order to make this process run smoothly, please arrive at the Fairgrounds with your animals based on your club’s scheduled time, that is posted in the 4-H Newsletter.

Market Livestock Weigh-In starting at 3:00 p.m. on Wednesday of the Teton County Fair in the Heritage Arena. All livestock must be in the Heritage arena by 3:00 p.m. on Wednesday.

Beef Weigh-in 3:00 p.m.
Lamb & Goat Weigh-In Immediately following Beef
Swine Weigh-in Immediately following Lamb & Goat

Only Teton County Extension Staff and Fair Board members are permitted in the designated scale areas during weigh-in. Each animal will be weighed only once. No re-weighs will be allowed.

Minimum market Weight to Sell at Teton County Fair Livestock Auction

Beef:  1,000 lbs.  (max pay at auction is 1400 lbs.)
Low-Line Beef 500 lbs.  (max pay at auction is 900 lbs.)
Swine:  205 lbs.  (max pay at auction is 280 lbs)
Lambs:  100 lbs.
Goats:  50 lbs.

Any animals not meeting these weight requirements will not be allowed to sell at the Livestock Sale. 4-H members will be allowed to show in the Feeder and Showmanship classes only.
Pens and Stalls
The Heritage Arena will be open to the public at 8:00 a.m. to 9:00 p.m. from Thurs. - Sat. and until 11:00 a.m. on Sunday.

1. Livestock pens will open at 11:00 a.m. on Wednesday for livestock participants and open to the public at 6:00 p.m.

2. Each 4-H member must clean his/her own pen or stall during the Teton County fair and before being released. Cleaning and feeding will be done at least twice daily prior to 8:00 a.m. and 9:00 p.m. daily. This is the 4-H’ers responsibility—not any one else.

Stall Cards for Livestock Pens - All livestock must have a stall card on their pen for the duration of the Fair. Maximum size for stall cards is a full poster board. No Producer Sign

3. All large and small livestock exhibitors are required to keep their animals at the Fairgrounds for the duration of the Teton County Fair. All livestock, will be released at Noon on Sunday afternoon. There will be no exceptions without prior approval from the 4-H educator; please plan accordingly. Any 4-H’er violating the livestock release time will forfeit the sale price of their market animal and receive market value. They will not be allowed to carry a livestock market project the following year.

Livestock Shows

1. When there is no competition between exhibitors in a class, only one premium will be awarded. The judge and superintendent of the division will award such prize or prizes, as the animals in their judgment deserve.

2. 4-H members must accompany and exhibit their own livestock. In case they need help (unruly animals or two animals in one class), they may have another 4-H member or leader assist them. Unruly animals that cannot be shown in Showmanship will not be shown in Market Class. Animals that are wild and may cause harm must be removed from the fairgrounds and forfeited from classes.

3. Animals not shown in Market Class will not be eligible for sale at the Teton County Livestock Auction.

4. Members must show their animal in Showmanship. Exceptions: Death, sickness, injury or other situation that prevents the animal from being brought to Fair. In this case, a member may show another 4-H member’s animal in showmanship. This must be approved by the 4-H Educator prior to the show. Members not showing their own animal in Showmanship are not eligible for State Fair.

5. While in the Show Ring, the person showing the animal must do so without aid. All adults, except those qualified to be in the Show Ring, must remain outside the Show ring while the show is underway.

6. Following Wyoming State Fair rules as to age of animal for project selected. All Wyoming State Fair rules will be followed with the exception of weight.

7. All Teton County fair participants are expected to use good sportsmanship. Any contestant who uses disrespectful or vulgar language, or in any way abuses the judges, Fair officials or their representatives will be disqualified from further competitions and will forfeit all ribbons, prizes and premiums. Any abuse or neglect of animals is also grounds for disqualifications

8. Absolutely no mistreatment of animals will be tolerated. Animal mistreatment will result in the disqualification of the violating exhibitor and loss of all show premiums and awards.

9. There will be no advertising of livestock, other than the 4-H Livestock Sale, in the Heritage arena.

State Fair Eligibility

1. Animals receiving blue ribbons in State Fair recognized classes and the highest placing 4-H member from the Showmanship class attending State Fair are eligible to compete. Check the State Fair Book for minimum and maximum weights.

Livestock Fitting Rule

1. A 4-H member is expected to fit and groom his/her own animal at the Teton County Fair. However, in the interest of safety a member may be assisted by another currently enrolled bona fide Teton County 4-H member or project leader. A 4-H member is expected to care for their own animal; however, in the interest of safety in caring for animals members may receive limited age and skill appropriate assistance.

2. Assistance is defined as a learning situation, wherein the person doing the assisting is teaching the member a technique in fitting or showing. This person is allowed only to show the Junior member the proper skill or techniques and the member is expected to perform the majority of each technique/skill required. Violation of this rule must be reported to the Livestock Committee before the animal enters the Show Ring.

3. Before all livestock shows and during the fair, all fitting shall be done in predetermined, approved areas on the fairgrounds. The livestock committee will be monitoring the area for inappropriate behavior. Any complaints/concerns will be made in writing to the committee and appropriate action will be taken.

4. If the member is found to be in violation of the fitting rule, he/she will be disqualified from the competition, including the Showmanship Competition and Livestock Auction.

Teton County 4-H Livestock Sale

1. Consignors must be Teton County, Wyoming 4-H members and residents of Teton County, Wyoming.

Vet Health Inspections - All 4-H horses being brought on the fairgrounds must be inspected by the designated veterinarian at the on-site location on the fairgrounds on Tuesday of the fair. Health Inspections will take place from 7:00 a.m. - 8:00 a.m. on this date at a central location on the fairgrounds that will be announced before the fair. Horses not receiving an on-site vet inspection on this day and at this time will not be allowed to show in the 4-H Horse show.

Alta Horse members will be required to get vet inspections prior to traveling to the fair. This is required for travel over state lines. This paperwork will be presented to the veterinarian on the Fairgrounds in order to be eligible for show.

Wyoming 4-H Horse ID and Safety Certification

One Wyoming 4-H Horse ID and Safety Certification needs to be completed for each horse a youth intends to learn and compete with prior to the Teton County Fair entry deadline or 4-H endorsed show. Certification should be done by a trained key leader who is not the parent of the child. The process is progressive. Complete Section 1, then 2A, then 2B, then individual endorsements.

- Section 1 - evaluates the safety of the youth around a horse and is to be completed by every youth (done one time)
- Section 2 - evaluates the horse for safety interactions with the particular youth and is to be completed depending upon the extents to which a youth intends to learn and compete. Smaller sized youth may need assistance but should be able to explain the correct methods whenever possible.
  - 2A - is for groundwork learning for showmanship/halter competitions.
  - 2B - is for mounted riding learning and limited riding competitions.
- Section 3 evaluates advanced endorsements of the horse and rider for events such as roping, speed events, trail and jumping.

4-H Horse Show

Safety: Exhibitors will WALK while mounted on their horses to and from the classes and trailers. At no time will exhibitors ride their horses to a class in an unsafe manner. This includes the following:
A. No riding double
B. No riding bareback
C. No riding without a bridle
D. No riding side saddle
E. No trotting or cantering outside of the warm up arena or the show ring

1. When a 4-H member needs assistance, a parent or leader may help check the tack, give advice or hold a horse prior to the 4-H member entering the arena.

2. In the interest of safety, a Junior 4-H member’s horse may be saddled, bridled and a tack change may be made by someone other than the 4-H’er (i.e. parent, leader or older 4-H member).

3. An approved safety helmet is accepted in any class; it may be worn in lieu of a western hat and is required in all English classes. An ASTM-SEI safety helmet with an attached harness is recommended and if a helmet is worn the chinstrap must be properly fastened.

4. Dress Code: The exhibitor shall be dressed in neat, clean, and appropriate clothing, in accordance with Western or English rules. Boots, hats or helmets and long-sleeved shirts are required.

5. In the absence of specific rules, the show shall be governed by the “Wyoming 4-H Equine Competition Guidelines 2013”.

6. One entry is allowed per exhibitor in Showmanship. One entry is allowed per exhibitor in each performance class and in each speed event.

7. Walk/Trot: A Walk/Trot rider is defined as a rider who has never cantered in a show; open or 4-H. Those entered in the Walk/Trot Division may not enter any canter classes during the Fair. A 4-H’er is eligible to stay in walk/Trot for up to two (2) years. The youth member will be re-evaluated the beginning of the third year and if the leader indicates that the youth member should remain in walk/trot, the leader and the Horse Committee will review the reasons and determine if the youth member will remain in Walk/Trot. While competing in Walk/Trot speed events, if the horse/pony breaks into a canter there will be a twenty (20) second penalty added to the rider’s time.

8. Only exhibitors and their project horses are allowed on the grounds during the horse show. No one other than the exhibitor shall ride the project horse anywhere on the grounds. No exceptions will be allowed without permission of the Officials or the Teton County 4-H Educator.

9. 4-H members must prepare and groom their own horse for all showmanship and performance classes.

10. No 4-H exhibitor will receive aid from any person outside the immediate show ring while showing; disqualification may result at the discretion of the Officials or the Teton County 4-H Educator.

11. Foul language, insubordination, cheating or verbal abuse of Fair officials will not be tolerated. 4-H members who do not exhibit or conduct themselves in a sportsman-like manner may be dismissed from the ring and/or forfeit all premiums

12. Any performance class or showmanship class with 20 or more entries must be split into two or more sections. The judge will select no less than six contestants form each section. The final contestants from each of the sections will be brought back into the ring for final placing. The judge or the Teton County 4-H Educator may combine performance classes with one or two entries if all entrants agree.

13. Contestants must have their numbers pinned securely on their back or both sides of the saddle pad. If a contestant enters the arena wearing the wrong number they will be disqualified.

14. There will be a final 5 minute call before each class. A ten (10) minute tack change will be allowed between classes if necessary. However, the ring steward or gate person must be notified of necessary changes.

15. 4-H members will be denied entry if not present for last call into the ring.

16. If a horse kicks (or is known to kick), a red ribbon must be tied to its tail. This is a safety measure and horse shall not be discriminated against in performance classes.

17. Protective boots or wraps, martingales, tie-downs, bit guards, hackamores and gag bits are strictly prohibited in Western and English performance events. Please refer to the current “Wyoming 4-H Equine Competition Guidelines 2013” for bits that are permitted in performance events and the rules for speed events.

18. For the purpose of determining eligibility of competition, the age of the horse shall be computed by the calendar year, starting on January 1 of the year foaled. An animal is a weanling during the calendar year in which foaled, and a yearling throughout the 1st calendar year following its foaling date, regardless of the time of year foaled. Ex.: A horse born any time during the year 2011 will be a yearling on January 1, 2012 and a two year old on January 1, 2013.

19. A class must have five (5) exhibitors entered in order to be held. If appropriate, class may be combined in order to meet this number. This is under the Horse Show Committees’ discretion.

Timed Events

1. In the Horse program, safety should be the most important factor. Therefore, in all timed events the horse may enter the arena in the quickest and safest way, whether it is ridden or led. After the horse and the rider are in the arena, all gates will be closed and the rider will complete his/her ride.

2. If safety measures dictate, a parent or leader may hold or lead the horse into the arena.

3. Addition to Wyoming Junior Horse Show rule Book p. 74 rule #5: Knocking over a pole or cone carries a 5– second penalty.
4. Dress Code: The rider must enter the arena wearing a Western hat or hard hat, long sleeve shirt, long pants and cowboy boots. The hat must be worn into the arena, but once in the arena the hat may be worn or removed, whichever the contestant chooses.

**Section 2 - Obedience**

1. A dog can be entered in only one rally class.

2. The first-year class is for members who are in their first year of the dog project, not the first year with a new dog. It is designed as a training class for members who do not feel competent to start in the On Leash class. Members may compete in the first year class only once.

3. An exhibitor who competes in the A groups with their first dog stays in the A groups with that dog for each level. The same is true for the B groups and levels. A member advances from On Leash A to Novice
   - A. Same applies for moving in B classes.

4. A 4-H exhibitor with a dog shown previously in obedience classes by another 4-H handler or an obedience title must show the dog by these guidelines.
   - a. Junior and Intermediate age exhibitors may move back or down one level.
   - b. Senior age exhibitors must show the dog at the highest level the dog has achieved.

5. A dog receiving a qualifying score of at least 170 points at county fair may advance the following year to the next higher class but must advance after receiving 3 qualifying scores. Once the higher level of obedience is selected for the dog, the member may not drop back to the lower level with the same dog.

6. High in trial will be calculated on the basis of the raw qualifying score plus five additional points with each increase in level of difficulty.

7. Score Sheets: The Wyoming 4-H dog score sheets were designed for the benefit of 4-H members. They are intended as guides for judges. Judges use their discretion in deciding the seriousness of errors.

8. All dogs must enter/leave the show/ring and compete with a six-foot leash.

9. Dogs soiling or urinating in the ring during judging will be disqualified.

10. Males and females will be shown in the same class. Females in heat will be shown last in the class and must be kept away from the obedience ring until call time.

3. Exhibitors entering more than one dog in any class may be assisted only by another 4-H member (from the same county, if possible), if the dogs must be shown at the same time.

4. Classes 12-19 will be judged according to AKC standards, but it is not necessary that dogs be registered; they must be purebred - both animal parents of the same breed.

5. Classes 20 and 21 will be judged according to the predominant breed characteristics and/or soundness, gait, condition, and grooming.

6. Before entering your dog, check the list of breeds that are eligible for each group. It can be found online at http://Wyoming4H.org under the dog link of the projects tab.

Section 5 - Rally

1. Eligible entries are identified and entered by each county 4-H Educator.

2. A dog can be entered in only one rally class.

3. Dogs soiling in the ring will be disqualified.

4. All dogs must enter and leave the ring on leash. Those competing in on leash classes should do so with a 6-foot leash.

5. Collars may be flat buckle (leather or nylon) or choke chains.

6. No bait (dog treats) is allowed in the ring.

7. Bait is not allowed in agility competition.

8. Dogs in season will run at the end of each class.

4. Because 4-H promotes a learning experience associated with project enrollment, entries are evaluated within the context of the division in which they are entered. i.e., entry in leathercraft is evaluated on leathercraft skills.

5. Posters, pictures, artwork and photography exhibits should come with a method for hanging them on hooks attached to a pegboard. If the items cannot be hung, they will be displayed on the floor or table.

6. Display boards or poster boards must be able to stand on their own on a table.

7. Oversized exhibits will be displayed as space permits.

8. 4-H exhibits are placed as judged using the Danish system of recognition (purple, blue, red, white). Additional awards or recognition are available pending donor support.

9. Poster or display board exhibits must come with a sufficient hanging device. Oversized exhibits will be displayed as space permits. Exhibit must be directly related to the sport of shooting. No Live ammunition is permitted!

4-H EXHIBIT PROJECTS - Static Exhibits Only

Interview judging is encouraged for all members entering projects in the Exhibit Hall. Youth will meet with the judge and learn how the project is judged. The judge will also ask questions about the project; this is not a presentation. If you do not appear for interview judging, your project will still be judged. However, the interview is 20% of your judging score. The project quality is 80% of your judging score. Judging will be on Monday of the Fair this year for all projects. Fabric and Fashion projects will be judged at the 4-H Office. All other Exhibit Projects will be judged at the Exhibit Hall on the Fairgrounds. Each member will spend approximately 10 minutes with the judge.

1. Entries must have been exhibited at the respective county fair and have been designated eligible for state fair entry.

2. The Wyoming State Fair, State 4-H Office, and Teton County Extension Educators or staff are not responsible for the loss of or damage to any exhibit or animal.

3. It is the responsibility of 4-H youth to verify correct entry of their exhibits with their 4-H Educator.

4. Due to the absence of interview judging at the STATE fair, the accompaniment of a brief explanation with your project may help the judge when assigning a ribbon placing. Points to consider may include: process, tools used, skills learned, goals achieved, additional help from others.

5. Because 4-H promotes a learning experience associated with project enrollment, entries are evaluated within the context of the division in which they are entered. i.e., entry in leathercraft is evaluated on leathercraft skills.

6. Posters, pictures, artwork and photography exhibits should come with a method for hanging them on hooks attached to a pegboard. If the items cannot be hung, they will be displayed on the floor or table.

7. Display boards or poster boards must be able to stand on their own on a table.

8. Any exhibit that puts the safety of others at risk of injury or harm, as deemed by the state 4-H office, may not be allowed to be publicly displayed and/or judged.

9. Oversized exhibits will be displayed as space permits.

10. 4-H exhibits are placed as judged using the Danish system of recognition (purple, blue, red, white). Additional awards or recognition are available pending donor support.

Stay Healthy at Animal Exhibits this Summer!

If you are visiting an animal exhibit:

- Find out where hand-washing stations are located.
- Always wash your hands after petting animals or touching the animal enclosure, especially before eating and drinking.
- Running water and soap are best. Use hand gels if running water and soap are not available.

Food and drinks

- Keep food and drinks out of animal areas.
- Do not share your food with animals.

Children

- Children younger than 5 years old need supervision
- Never allow children to put their hands or objects (For example: pacifiers) in their mouth while interacting with animals.
- Hand washing should be supervised

*Elderly persons or others who might have a difficult time fighting off infections should use special precautions.
