

Miller Park Court Lights

May 23 2023, Jackson, Wyo. - Teton County/Jackson Parks & Recreation wanted to make the public aware that the basketball and pickle ball court lights at Miller Park are currently out of order. There will be no lights after dark for that facility until we can make repairs. We thank the public for your patience. We will sign the courts in the short term and notice the public when repairs are made. For questions or concerns, please e-mail Andy Erskine, Parks Manager, at aerskine@tetoncountywy.gov
