Board of County Commissioners Strategic Plan

**Mission**
The mission of Teton County, Wyoming government is to support the well-being of its residents by providing responsive and efficient services; providing programs and facilities that contribute to public health, safety and welfare; and supporting the community’s goals as expressed in the Jackson Teton County Comprehensive Plan.

**Vision**
We are partners and stewards to ensure a healthy community, environment and economy for this and future generations.

**Values**
Leadership, Stewardship, Transparency, Sustainability, Collaboration, Teamwork, Integrity, Trust, Professionalism, and Objectivity

### Statements of Strategic Intent

<table>
<thead>
<tr>
<th>Organizational Excellence</th>
<th>Environmental Stewardship</th>
<th>Vibrant Community</th>
<th>Economic Sustainability</th>
</tr>
</thead>
<tbody>
<tr>
<td>We provide high quality and efficient government services in a collaborative, fiscally responsible and respectful manner for the benefit of Teton County residents and visitors.</td>
<td>We actively protect and enhance our unique landscape and environment, which underpin our economy, community, heritage and future well-being.</td>
<td>We work here and live here. We volunteer, ride bikes, horses and skis here. We are healthy, well protected and take care of each other and the environment.</td>
<td>We invest in infrastructure, energy efficiency, and public projects that allow our economy to grow in a way that minimizes environmental pressure.</td>
</tr>
</tbody>
</table>

**Goals:***
- Increase information sharing and communication with the public
- Define and provide a consistent high standard of customer service across all County Agencies
- Cultivate excellent organizational leadership
- Encourage innovation and best practices across our organization
- Attract, develop, motivate and retain a high performing county workforce
- Provide a positive work environment that supports employees personal and professional well being

**Goals:**
- Support an integrated and efficient multi-modal transportation system
- Implement land use policies that preserve open space and wildlife habitat and protect air and water quality
- Facilitate sustainable living and business practices in our community
- Reduce Teton County’s environmental footprint through sustainable practices
- Partner and collaborate with local, state, federal and other agencies

**Goals:**
- Provide services to ensure personal and community safety
- Promote access to quality and affordable public health, social services and transit for people of all income levels
- Support access to quality and affordable recreation, education, arts and culture for residents and visitors
- Support a range of workforce housing opportunities
- Engage the community and invite civic participation
- Foster a well planned and livable community

**Goals:**
- Partner to develop economic vitality consistent with community values as expressed in the Comprehensive Plan
- Maintain a diverse workforce which live locally to enhance and support our business community
- Deliver efficient government services to ensure the safety and welfare of residents and visitors
- Acquire lands and facilities strategically to meet future community needs
