Recreational Broomball league will start on Monday December 10, 2018. We anticipate Owen Bircher ice rink will be open by this weekend. **GROOMING**-Everything in the valley has been packed with the snowmobile and roller and is currently in variable condition. Staff will begin our normal grooming schedule on Tuesday December 4, 2018. Cache Creek to Noker Draw was scheduled to start today, however, due to equipment breakdown it will not be groomed. Cache Creek, Game Creek and Emily's Pond will be groomed with the PistenBully per our normal schedule. All other valley locations will be assessed daily and will either be groomed or rolled depending on snow depths and condition.
