

2018

2ND ANNUAL JACKSON HOLE, WY & TETON VALLEY, ID

REUSE RESOURCE GUIDE

RESALE • REPAIR • REPURPOSE • RESCUE • DONATE
FOR REUSE • ON BOTH SIDES OF THE TETONS!

#HOWDOYOURRRR #ROADTOZEROWASTEJH

BROUGHT TO YOU BY:

ReStore

REUSE IS THE 2ND OF THE 3 R'S.

The R for when it's too late to Reduce but maybe too early to Recycle. It's the time for creativity and innovation. A time to rely on the resourcefulness within ourselves, our households, our businesses and our community. By doing so, we have the opportunity to extend the life of a product in its original form, for as long as possible, before expending the energy and resources to discard it or turn it into something else.

Teton County, Wyoming and Teton Valley, Idaho possess a wealth of Reuse opportunities within the businesses and organizations that offer resale, donation, repair, rescue and other services. This publication is intended to provide a centralized listing of these opportunities and the necessary information to make the most of them.

Whether it's a vintage piece of furniture, a well-worn pair of jeans, a broken down bike or even a used vinyl sign - before tossing it into the recycling or the trash - consider ways in which it could be repaired, repurposed, resold, or otherwise reused. **Thank you for extending the life of materials in our community and keeping them out of the landfill!**

TABLE OF REUSE

toward a zero waste future

REUSE

When it's too late to Reduce but too early to Recycle, it's time to put creativity and innovation to work in Reuse! We hope that this guide will help you in identifying the resourcefulness within yourself, your household, your business and your community. By reusing, we extend the life of a product in its original form, for as long as possible, before expending the energy and resources to recycle or discard.

JACKSON HOLE

CHAMBER OF COMMERCE

The Chamber celebrates and encourages sustainable business practices in Jackson Hole:

- Achieved recognition for Jackson Hole as a sustainable destination. In 2017, Jackson Hole earned a spot as one of three international finalists for the National Geographic World Legacy Awards for Destination Leadership.
- Encourage local businesses to adopt sustainable business practices and become RRR Business Leaders.
- Inspire visitors to take back what they learn from being a responsible traveler in Jackson Hole to their own communities.
- Honor sustainable businesses with the annual Green to Green Award.

*Contact the Chamber to
learn more today!*

Teton Valley Community Recycling

Our Vision: A healthy community that reduces, reuses, recycles, and rethinks its way toward zero waste

www.tetonrecycling.org

Our Mission: To develop ethical waste reduction solutions that are financially and environmentally sound for our community.

Teton Valley Community Recycling (TVCR) has been the advocate for integrated waste management, municipal composting, DEQ compliance, waste reduction, and recycling in Teton Valley since 1997.

Our recent projects include:

- Recycling Receptacles for Victor City Parks
- Victor Tool Library partner
- Industrial Magnet and Tire Rim Remover for county Recycling Center
- Hazardous Waste Handling training for county staff
- Contamination Reduction Education campaign
- Helping businesses and events “go green”
- Supporting RRR Sustainable Business Leaders program in Idaho
- TerraCycle Recycling collections (dental waste, foil wrappers, cereal bags, #6 cups)
- Raising funds for a Salvage Store and Educational videos
