

Bridge Permit Fee Schedule

Fees are due at the time of application. Application fees are determined based upon the estimated cost of the project and processing the application (Staff time, advertising, and overhead). Upon consideration of the complexity of the project, the Engineer may assess additional fees or require external/third party review by a qualified professional of the County's choosing and at the Applicant's expense.

Bridge Permit Fees

Small-Scale Project	\$300
Construction cost less than \$75,000	
Large-Scale Project	\$600
