Capital Projects Underway

The Housing Department is partnering on 4 current projects and 3 future projects. Once complete, these 7 projects will result in over 175 new units for our community!

This multi-year partnership project with Teton Habitat will be complete in early 2021! Once finished, Grove III will provide 24 homes to low-income families. The Grove I, II, and III provide a total of 48 restricted ownership units, 20 restricted rental units, and 3 commercial spaces.

This partnership project with the Jackson Hole Community Housing Trust will be complete in the fall of 2021 and will provide 24 restricted ownership units and 2 commercial spaces.

This partnership project with Mercill Partners will be complete at the end of 2021 and will provide 30 restricted ownership units and 4 commercial spaces.

This partnership project with Roller Development and Tack Development will be complete in early 2022 and will provide 12 restricted ownership units.

Future Projects

Low-Income Housing Tax Credit Development – This partnership project with Summit Development Group will apply for LIHTC allocation this fall. Awards will be announced in early 2021. If awarded the project could break ground as soon as the spring of 2021. 24 units serving households earning <80% of median family income.

445 East Kelly Avenue – This property was purchased by Teton County in June for the purpose of providing new deed restricted housing. 15 units serving households earning <80% of median family income.

Jackson & Kelly Street – This project is a partnership with another landowner and will result in Affordable and Workforce homes. Staff anticipates bringing options to the County Commission for consideration Fall 2020. 60-90 units serving households earning 20-200% of median family income.
