S-A **BUDGET MESSAGE** W.S. 16-4-1040

The total amount of charges and assessments required to be raised for District Improvements and Services have been determined by showing, in reasonable detail, the various functions and matters proposed to be covered by the budget, showing the estimated income and other funds which may be received by the District, and showing the estimated amount of assessments and other taxes or charges required to cover costs and expenses and to provide a reasonable reserve. The budget shall be filed with and follow a format acceptable to the director of the Wyoming Department of Audit. Currently, the District holds \$400K+ in a savings designated as Reserves. The proposed budget reflects the District has scheduled to set aside an additional \$75K+ in the upcoming fiscal year to continue its efforts of intent to order improvements to the District properties for its members.

S-B RESERVE DESCRIPTION
The Reserve is generated from the total amount of charges and assessments raised for the District Improvements and Services and is determined annually, in reasonable detail, to cover maintenance costs and expenses that are not pre-determined in the normal operating budget, thereby reducing the requirement for special assessments to be issued to the District members.
