

Health Department and Health Order Updates - September 25, 2020

- 1) The most common transmission of COVID-19 at local businesses is from co-worker to co-worker. Not from employee to guest or vice versa. Remind your staff to wear masks outside of work as well and try to limit their social exposure.
- 2) Friendly reminder for restaurants to make sure guests are seated at least 6 feet apart, whether they are sitting at a table, booth, or bar.
- 3) State announces 12th continuation of Health Orders #1, #2, and #3. Click [here](#) to read the modifications to the orders. Please note - no changes to restaurants.
- 4) Teton District Public Health Order #20-6 (requiring adults to wear face coverings) has been extended through **October 31, 2020**. Click [here](#) to read the order.
- 5) Teton District Public Health Recommendation #9 (encouraging early closure of bars and restaurants) has been extended through **October 31, 2020**. Click [here](#) to read the order.
- 6) In the past two weeks (9/11 to 9/24) there were 70 new cases reported. This is up 27% from the previous two weeks.
 - 26 cases attributable to community spread (37%).
 - 42 cases had close contact with another known case (60%).
 - 7 cases had a history of travel (10%) – May be included in other 2 categories also.
- 7) As of 9/24/2020 we have 42 active cases. As of 9/24/20 there are 142 people under quarantine in Teton County. Statistics and response overview can be found [here](#).
- 8) Teton County is currently in the Orange phase. Click [here](#) to view the metrics.
- 9) Free ServSafe COVID-19 training and resources, click [here](#).
- 10) Free restaurant COVID-19 resources, click [here](#).
- 11) It is not too late for your business to join the Teton County Surveillance Testing. To learn more, click [here](#).
- 12) Have questions? Designate a COVID-19 point person for your business who can compile questions and email us at: ph@tetoncountywy.gov.
