For Immediate Release

The Walton Levee Will Temporarily Close for Maintenance

April 15, 2021, Jackson, Wyo. – A popular recreation spot along the Snake River will be closed to the public beginning next week for routine maintenance.

Beginning Tuesday, April 20 through Tuesday, May 4, 2021 between 7:30 a.m. and 7:00 p.m., the Walton Levee at Emily's Pond off Wyoming Highway 22 will close to the public so that Teton County Road and Levee can haul levee rip-rap rock to the County stockpile facility.

The parking lot at Emily's Pond and access to the pathways bridge will remain open, and the levee will be open on weekends. Please contact Teton County Road and Levee with questions at 307-733-7190.
