SUMMARY OF HOUSING PROGRAMS

The general goal of all housing programs covered by the Housing Department Rules and Regulations is to provide and maintain housing affordable to persons and families who make a living primarily from employment located in Teton County, Wyoming. The housing programs addressed in the Housing Department Rules and Regulations are: Affordable Ownership, Affordable Rental, Workforce Ownership, and Workforce Rental. Legacy programs (including Accessory Residential Units, Attainable units, Employee units, and Employment-based units) are referenced in some properties' deed restrictions, so these Housing Department Rules and Regulations also contain the rules that pertain to these programs.

Descriptions of Applicable Programs:

Accessory Residential Units (ARU) – Units created through this program are developed as part of nonresidential developments that are exempt from the housing requirements set by the LDRs. These units are rented to workers employed in Teton County, and they must remain as rental property (i.e., they cannot be converted to condominiums). Accessory Residential Units developed after June 4, 2018 will be part of the “Workforce Rental” program and are required to have a Special Restriction for Workforce Rental Housing recorded on them. To qualify to rent these units, at least one person in the household must be employed at a Local Business for a minimum of 1,560 hours per year. They may not own residential real estate within 150 miles of Teton County. A minimum of 75% of the household's income must be earned from a Local Business(es). The tenants must physically occupy the unit a minimum of 80% of their lease term. Tenants will be required to requalify annually or upon lease renewal. The units are not allowed to remain vacant in excess of 60 days. Rents are set by the owner.

Affordable – These are units created through the mandatory affordable housing mitigation requirements included in the Town and County Land Development Regulations (LDRs). The Affordable housing program is divided into “Affordable Ownership” and “Affordable Rental,” and each has restricted pricing based on applicable affordability ranges. To qualify to purchase these units, household income and assets must be within the relative income range for the unit. At least one person in the household must work a minimum of 1,560 hours per year. No ownership of other residential real estate within 150 miles of Teton County is allowed. The owners must physically occupy the units a minimum of 10 months each year. Tenants must physically occupy the units a minimum of 80% of their lease term. Tenants will be required to requalify annually. Owners will be required to provide proof of continued local employment, occupancy, and non-ownership of residential real estate annually. Maximum rents and sales prices are based on median family income as published by HUD. Ownership units appreciate based on the Consumer Price Index.

Attainable – These units were built before housing standards were codified in the LDRs. No more Attainable housing units will be constructed, but the Housing Department Rules and Regulations still apply through the management of existing units. Specific requirements for these units are recorded as covenants on the property deed, and the Housing Department Rules and Regulations are referenced through these covenants. To qualify to purchase these units, household income and assets must be

within the relative income range for the unit. At least one person in the household must work a minimum of 1,560 hours per year. No ownership of other residential real estate within 150 miles of Teton County is allowed at time of purchase. The owners must physically occupy the units a minimum of 10 months each year. No requalification or future documentation will be required after purchase of the unit.

Employee – These rental housing units are built to comply with the housing mitigation requirements for new nonresidential development set out in the Town and County LDRs. Initially, these units were intended to provide housing to seasonal workers, but they are not restricted to occupancy by seasonal workers. These Housing Department Rules and Regulations have been updated to reflect the Town and County’s policy direction in 2018 which aligns with the Comprehensive Plan’s goal of housing the local year-round workforce. The owner of the Employee housing units ultimately makes the decision about unit tenancy so long as the household qualifies. These units can be converted to condominiums and sold to private entities but must be used as rental units as required by their Restriction in perpetuity. Employee units developed after June 4, 2018 will be part of the “Affordable Rental” program. To qualify to rent these units, household income must be within the relative income range for the unit. At least one person in the household must work a minimum of 1,560 hours per year. No ownership of other residential real estate within 150 miles of Teton County is allowed. Owners will be required to report annually and provide tenant information to the Housing Department pursuant to the Housing Department’s request for information. The units are not allowed to remain vacant in excess of 60 days.

Employment-Based – This is a program that the Town of Jackson initiated to create restricted ownership units for sale to households that are employed in Teton County, but do not fit within the affordability ranges set out in the LDRs. These units are not developed under a mandatory requirement set out in the Town’s LDRs. Employment-Based units developed after June 4, 2018 will be part of the “Workforce Ownership” program. To qualify to purchase these units, at least one person in the household must be employed at a Local Business for a minimum of 1,560 hours per year. They may not own residential real estate within 150 miles of Teton County. A minimum of 75% of the household’s income must be earned from a Local Business(es). Owners must physically occupy the units for a minimum of 10 months of each year. Owners will be required to re-qualify annually.

Workforce Housing Programs – This program is divided into “Workforce Rental” units and “Workforce Ownership” units. They are provided through incentives in the LDRs. Households who purchase or rent Workforce units are required to earn a minimum of 75% of their income from a Local Business. They may not own other residential real estate within 150 miles of Teton County, and at least one person in the household must earn 1,560 hours annually from a Local Business. There is no cap on the initial sales price. Once an ownership unit is sold, the maximum resale price is restricted to an appreciation cap on the unit as indicated in the Special Restrictions recorded on the property. The owners of Workforce Rental Units set the rental rates. There is no cap on rental rates. Owners and tenants will be required to re-qualify annually.

SECTION 1. PURPOSE AND GENERAL GOALS

1-1. Purpose

The Jackson/Teton County Affordable Housing Department (“Housing Department”) was created by Teton County, Wyoming and the Town of Jackson, Wyoming on March 14, 2016 Town Resolution 16-04 and County Resolution 16-008. The purpose of these Housing Department Rules and Regulations (“Housing Rules”) is to provide comprehensive and consistent provisions that apply to housing units created through the Town or County established housing programs and/or administered by the Housing Department.

The Housing Department Rules and Regulations were formerly known as the “Guidelines.” When the Housing Guidelines are referenced in documents promulgated prior to the adoption of the 2018 Housing Department Rules and Regulations, the reference of Guidelines refers to these Housing Department Rules and Regulations.

a. Applicability

1. Subject to Provisions that are Unique to Specific Program

Each housing program covered in these Housing Department Rules and Regulations is subject to provisions that are unique to that program as indicated in these Housing Department Rules and Regulations.

2. Subject to Provisions of the Restrictions Recorded on the Property

Restricted housing units are subject to individual deed restrictions, Special Restrictions, or ground leases, (collectively “Restrictions”) which may have additional requirements or provisions. If the Housing Department Rules and Regulations and the restrictions conflict, then the language, requirement, and/or provision of the Restrictions shall be applied and followed, not the Housing Department Rules and Regulations. The Restrictions recorded on the property supersede any inconsistency in these Housing Department Rules and Regulations.

3. Subject to Federal Fair Housing Law (The Fair Housing Amendments Act of 1988)

The Housing Department recognizes that the Office of Fair Housing and Equal Opportunity administers and enforces federal laws and establishes policies that ensure that all Americans have equal access to the housing of their choice. The Housing Department does business in accordance with the Federal Fair Housing Law (The Fair Housing Amendments Act of 1988).

a. Discrimination

It is illegal to discriminate against any person because of race, color, religion, sex, handicap, familial status, or national origin in the sale or rental of housing, in the financing of housing, in the provision of real estate brokerage services, or in the appraisal of housing.

1. Filing a Complaint

Anyone who feels he/she/they has been discriminated against may file a complaint of housing discrimination to the HUD Housing Discrimination Hotline, 1-800-669-9777 (Toll Free), or the TDD line for the hearing impaired, 1-800-927-9275.

b. Blockbusting

Blockbusting is also prohibited. Blockbusting is the practice of illegally frightening homeowners by telling them that people who are members of a particular race, religion, or national origin are moving into their neighborhood and that they should expect a decline in the value of their property. The purpose of this scheme is to get the homeowners to sell at a deflated price.

4. Disclaimer

The Housing Department expressly disclaims any and all warranties, express or implied, including without limitation fitness for a particular purpose with respect to the provision of restricted housing units. The Housing Department does not represent, warrant, or promise to construct, finance, or otherwise produce, in whole or in part, any restricted housing units pursuant to these Housing Department Rules and Regulations or under any other programs. No applicant may rely upon any promise implied or expressed that restricted housing units shall be constructed, financed, or otherwise produced, in whole or in part, by the Housing Department. In no event shall the Housing Department be liable to any applicant for any direct, indirect, incidental, punitive, or consequential damage of any kind whatsoever, including without limitation lost profits, lost sales, lost business, lost opportunity, lost information, lost or wasted time. None of the information contained in these Housing Department Rules and Regulations constitutes an offer to sell or the solicitation of an offer to buy a restricted housing unit.

1-2. General Policy Goals

The general goal of all housing programs covered by these Housing Department Rules and Regulations is to provide and maintain housing affordable to persons and families who make a living primarily from employment located in Teton County, Wyoming, which includes the Affordable, Attainable, Employee, Employment-Based, Accessory Residential Unit, and Workforce housing programs. This is accomplished by regulating the occupancy, use, sale and/or rental of the restricted housing units covered by the Housing Department Rules and Regulations to qualified households as defined herein.

a. Promoting Economic and Social Diversity

Certain housing programs also limit initial eligibility of qualified households based on financial means criteria, which may include both household income and household net assets. Such financial qualifying factors promote economic and social diversity within the Jackson Hole community.

b. Ensuring Long-Term Affordability

Many of the restricted housing units covered by these Housing Department Rules and Regulations are subject to price limitations for sale, resale and/or rental. These limitations are intended to ensure affordability for both the current household occupying the restricted housing unit and to ensure the long-term affordability of the restricted housing unit.

c. Providing Housing for the Local Workforce

Minimum occupancy requirements apply to all restricted housing units to ensure that the unit meets the community's goals of providing housing for the local workforce by maximizing the space and filling the bedrooms, and to ensure that the restricted housing unit does not serve as a second home.

d. Providing Fair and Consistent Administration

These Housing Department Rules and Regulations are intended to provide clear, fair, and consistent administration of the housing programs to which they apply. It is recognized that there are individual households or restricted housing units that may not fit clearly into the specific provisions of the Housing Department Rules and Regulations, but still meet these general policy goals. For these cases, exception, appeal, and grievance processes have been included in Section 7.

1-3. Relationship to Land Development Regulations

The Town of Jackson and Teton County Land Development Regulations (LDRs) set out standards for the development and use of land within each jurisdiction. The LDRs include requirements for certain developments to provide Affordable housing or fees to offset the additional housing need that the developments create. Specific programs address different types of development. The Planning Department of each jurisdiction reviews development applications to check for compliance with the LDRs.

These Housing Department Rules and Regulations impose additional requirements on the developers of any type of restricted housing units. The Housing Department reviews compliance with these Housing Department Rules and Regulations, both prior to development and during occupancy and use.

a. Standards Applicable Under LDRs versus Housing Department Rules and Regulations

Generally, the LDRs address any provisions that must be met during the development approval phase, while the Housing Department Rules and Regulations address provisions that ensure proper use and maintenance of the restricted housing units throughout their lifetime.

LDR Provisions	Housing Department Rules and Regulations Provisions
Rental/Sale Mix (required mix of units)	Livability Standards (Interior)
Occupancy Standards	Dormitory Livability Standards
Distribution of Income Categories	Livability Requirements for Conversion of Existing Housing Stock
Requirements for Fees in Lieu	Restrictive Covenant Form and Process
Requirements for Conveyance of Land or Conversion of Existing Housing Stock	Sale/Rental Standards and Procedures including Qualification and Eligibility for Each Program
Procedure for Banking Credits	Compliance with Housing Department Rules and Regulations.

b. References Retained for Convenience

All references to the LDRs in these Housing Department Rules and Regulations are for convenience and are not a part of the Housing Department Rules and Regulations.

Section 2. Housing Development Standards

2-1. Purpose

The Jackson/Teton County Comprehensive Plan lists three common community values, one of which is quality of life. One of the ways called out to achieve quality of life is through local workforce housing. With regards to workforce housing, the Comprehensive Plan includes the four following principles:

- Maintain a diverse population by providing workforce housing
- Strategically locate a variety of housing types
- Reduce the shortage of housing that is affordable to the workforce
- Use a balanced set of tools to meet our housing goal

The Town of Jackson and Teton County have several tools to increase the amount of housing that is affordable to the workforce. One of these tools is the requirement and/or incentive in the LDRs for residential and non-residential development to provide permanently restricted workforce housing. This housing represents a substantial and long-term public investment. As such, it is imperative the restricted housing produced be livable and of good quality.

This section, Housing Development Standards and Procedures, is meant to provide guidance to the prospective developers of restricted housing units. Section 2-2 lays out the requirements of the Housing Mitigation Plan, which is reviewed by both the Planning Department and the Housing Department. Section 2-3 sets out the Livability Standards, which are under the Housing Department's purview.

a. Applicability

This Section applies to all developments subject to Division 6.3 of the County LDRs and Division 6.3 of the Town LDRs. It also applies to any restricted housing units not required through the LDRs that are presented to the Board of County Commissioners or Town Council in development applications.

b. General Policy Goals

1. Inform Developers of Standards and Procedures

These Housing Development Standards and Procedures inform prospective developers of the standards and guidelines for construction and sale of restricted housing units, as required by the LDRs and the Housing Department Rules and Regulations.

2. Provide Fair and Consistent Implementation of Standards and Procedures

These Housing Development Standards and Procedures help the Housing Department implement policies of the LDRs and the Housing Department Rules and Regulations in a fair and consistent manner.

2-2. Housing Mitigation Plan

A Housing Mitigation Plan for each project shall be submitted according to the provisions of the Teton County and Town of Jackson LDRs [See Teton County Land Development Regulations: Division 6.3 or Town of Jackson Land Development Regulations: Division 6.3]. A packet with a checklist for a Housing Mitigation Plan can be obtained through the Housing Department or the Town or County Planning Departments.

a. Procedures

1. Consultation with Applicant (Optional)

Applicants may meet with Housing Department staff prior to submitting a Housing Mitigation Plan. Although this step is not required, it is often helpful for the applicant and the Housing Department staff to discuss the development proposal and how it meets the LDRs and Housing Department Rules and Regulations.

2. Review

Applications for development that have been submitted to the Town or County Planning and/or Building Departments are reviewed by the Housing Department for compliance with these Housing Department Rules and Regulations.

3. Streamlined Applications

Applications that have housing units required that are allowed to go directly to building permit are required to get their units approved by the Housing Department prior to submitting for building permit.

b. Content

The Housing Mitigation Plan contains some provisions that fall under the purview of the Planning Department, while others fall under the purview of the Housing Department. Specifically, the Housing Department oversees the Livability Standards. Developers should refer to the LDRs for requirements such as the mitigation methods, the mix of units by number of bedrooms and the mix of units by affordability ranges.

1. Mitigation Method

See Teton County Land Development Regulations: Division 6.3 or Town of Jackson Land Development Regulations: Division 6.3.

2. Requirement Calculation

See Teton County Land Development Regulations: Division 6.3 or Town of Jackson Land Development Regulations: Division 6.3.

3. Fee Calculations

If the developer proposes Fees In-Lieu as the preferred form of mitigation, the developer shall submit the proposed amount with a Final Development Plan.

The Planning Department shall update the Fees In-Lieu for the restricted housing units on an annual basis. Fees In-Lieu figures are available at the Planning Department.

4. Unit Descriptions

a. Unit Size

There is no minimum or maximum unit size based on square footage. Size by bedroom mix is located in the LDRs.

b. Rental/Sale Mix

As part of the Housing Mitigation Plan, the developer shall state which units are intended as rentals and which are intended as ownership in accordance with the LDRs (See Teton County Land Development Regulations: Division 6.3 or Town of Jackson Land Development Regulations: Division 6.3).

c. Mix of Units by Number of Bedrooms

The intent of the restricted housing programs is to provide a variety of unit types to meet the housing needs of our diverse workforce. The Town and County LDRs set out the specific

Section 2. Housing Development Standards and Procedures

2-2. Housing Mitigation Plan

occupational requirements for housing units. The mix of units by number of bedrooms in each unit is also determined by the Town and County LDRs.

d. Distribution of Income Ranges

See Teton County Land Development Regulations: Division 6.3 or Town of Jackson Land Development Regulations: Division 6.3.

5. Special Restriction Form and Process

A Special Restriction is a contract between the Board of County Commissioners/Town of Jackson and the owner of real property developed or designated to satisfy the Town or County LDRs. It also applies to other restricted housing units that will be administered by the Housing Department. Special Restrictions shall keep the restricted housing units affordable in perpetuity and provide proper notification of this obligation to subsequent buyers or other interested parties. (See Teton County Land Development Regulations: Division 6.3 or Town of Jackson Land Development Regulations: Division 6.3).

a. Requirement

The developer shall record Special Restrictions in the public land records for the subject property prior to the issuance of a Certificate of Occupancy by the County or Town.

b. Process

The Housing Department shall prepare Special Restrictions according to the process below. Restrictive covenant templates are available from the Housing Department or the Housing Department website.

1. Inspection of Unit

The Housing Department must inspect the unit prior to recording the restriction and prior to issuance of Certificate of Occupancy.

2. Compliance Conference

Developer shall meet with the Housing Department prior to issuance of Certificate of Occupancy to review the Compliance Checklist.

3. Special Restriction Information Sheet

The developer shall complete the "Special Restriction Information Sheet" and submit to the Housing Department. This form is found at the Housing Department website, or at the Housing Department offices.

Section 2. Housing Development Standards and Procedures

2-2. Housing Mitigation Plan

There are four types of restrictions, Workforce Ownership, Workforce Rental, Affordable Ownership, and Affordable Rental.

4. Preparation of Special Restriction

The Housing Department will prepare the Special Restriction and provide the document to the developer for review via email or other delivery method.

5. Review

Once reviewed by the developer for accuracy, the Housing Department and the developer (“declarant”) will sign the Special Restriction and deliver to the County or Town for the required signature.

6. Developer Responsibilities

The developer is responsible for signing the Special Restriction, recording the Special Restriction with the Teton County Clerk, and paying for the recording fees. The original restriction will be returned to the Housing Department office. The Housing Department shall witness the recording.

7. Modification/Amendment

The developer shall not make modifications to the Special Restrictions with the exception that when an alternate housing program is approved by the Town Council or County Commissioners. Modifications or amendments to the restricted covenant must be approved by the Town Council or Teton County Commissioners. The developer or owner may be responsible for any legal costs to amend a restrictive covenant.

2-3. Livability Standards

To meet the community's goals of providing working families a viable choice of housing, to protect social diversity, and to contribute to economic stability, the LDRs and the Housing Department Rules and Regulations require that restricted housing units are designed to provide adequate size, building and site design, and finishings to serve future tenants. These are all criteria in the Housing Department's decisions as to whether a development meets the goals of the LDRs and the Housing Department Rules and Regulations. For additional construction standards, see Teton County Land Development Regulations: Division 6.3 or Town of Jackson Land Development Regulations: Division 6.3.

a. Process

These Livability Standards are associated with interior components of the units, functionality, light, and outdoor space. Review by the Housing Department will be completed during the planning process and at time of building permit. It is encouraged that applicants review restricted housing unit designs with the Housing Department early in the design process.

Restricted housing units will also be subject to Planning Department review, as some Livability Standards are requirements of the LDRs (See Teton County Land Development Regulations: Divisions 6.3 or Town of Jackson Land Development Regulations: Divisions 6.3).

b. Intent

The Livability Standards in the LDRs do not include minimum size requirements for units. To ensure functionality of units regardless of size, these Livability Standards have been adopted. The Housing Department may consider flexibility within these standards as long as the intent of functionality is being met. All building, plumbing, electrical, and fire code requirements are still required to be met. These standards do not supersede other requirements.

Restricted housing units are expected to be designed with logical and functional room layout. This includes adequate space for normal living based on two (2) persons per one-bedroom unit, three (3) persons per two-bedroom unit, and four (4) persons per three-bedroom unit and adequate circulation pathways through the unit based on a reasonable furniture configuration.

The standards contained in this document provide minimum requirements for specific items and are not intended to be "build to" specifications.

1. Exceptions

Applicants may request approval of components that do not conform to these Livability Standards by completing the "Request for Exception" form. The request must include a detailed explanation

Reasonable Requests will be approved if they do not impose undue financial and administrative burden on the Housing Department or if they do not fundamentally alter the nature of the Housing Department's operations. Determinations will be made on a case by case basis involving various factors, such as the cost of the requested accommodation, the financial resources of the Housing Department, the benefits the accommodation would provide the requester, and the availability of alternative accommodations that would effectively meet the requester's disability related needs.

3-3. Eligibility

Households may be required to meet one or all of the following eligibility criteria to be eligible to purchase, rent and / or occupy a housing unit. The restriction on the housing unit and / or the specific housing program will determine if additional eligibility requirements apply.

a. Household Income

Eligibility Criteria differs between units that are targeted to different affordability ranges. The “Household Income and Asset Chart” that sets income and asset requirements is updated annually and published on the Housing Department website. It can also be obtained from the Housing Department.

1. Affordability Ranges

Below are the affordability ranges based on percentage of Median Family Income (MFI) as calculated by the U.S. Department of Housing and Urban Development (HUD). Legacy units restricted prior to 2018 adoption of Housing Mitigation Standards in the LDRs used different “income categories.” These income categories will still apply to legacy units that set out these income categories in the unit’s restrictive covenants.

Category 3 = <=140%

Category 4 = <=175%

c. Employee

Legacy Units developed prior to 2018 adoption of Housing Mitigation Standards

Households are eligible for these Employee Housing Units if they make up to 120% MFI. If this is inconsistent with the deed restriction recorded on the Employee Housing Unit, the deed restriction shall supersede these Housing Department Rules and Regulations.

d. Employment-Based

There is no income limit for Employment-Based units. However, at least 75% of the household's combined income must be earned from a business or organization located in

Teton County continuously during ownership. If one (1) person in the household is at the age the Social Security Administration allows a person to begin receiving Social Security, their income will no longer be used to calculate the 75% of household income from a Local Business.

e. Workforce Housing Program

There is no income limit for Workforce housing units. However, at least 75% of the household's combined income must be earned from a business or organization located in Teton County continuously during ownership. If one (1) person in the household is at the age the Social Security Administration allows a person to begin receiving Social Security, their income will no longer be used to calculate the 75% of household income from a Local Business.

f. Other Restricted Housing Units

Income eligibility for other restricted housing units may be set out in restrictive covenants that apply to the restricted housing unit.

2. Calculation of Income

Household income is based on the current income earned by all intended adult occupants of the restricted housing unit at estimated closing date and is calculated by the Housing Department using the current household income to estimate an annual (12 month) income basis. W-2 earners who have inconsistent incomes and have the same jobs as prior years will have their income averaged over three (3) years or less if less than three (3) years were worked. Households must use their current income and may not make changes or adjustments to earnings in order to fit into a category. For Affordable units, any changes to income must be given to the Housing Department prior to the initiation of a Weighted Drawing process in order to be eligible to enter the Weighted Drawing.

a. College-Aged Children

The income of adult children under the age of 25 who are members of the household and who are attending college will not be counted. Income of adult children over the age of 25 will be counted.

b. Business Income

Gross income is used minus cash expenses.

Businesses that do not have 2 full prior years of income:

1. Tax returns are used to calculate gross income earned in the first year of business minus cash expenses (if taxes have not been paid, the Profit and Loss will be used for that year to calculate gross income minus cash expenses). The gross income will be divided by the number of months the business was operating during that year. That number will be multiplied by 12 to calculate one year of income for the first year.
2. If the business has a full year of income in the second year of operation, the tax returns will be used to calculate gross income minus cash expenses. This will be the income for the second year.
3. If there is no income for the current year. The first and second years will be averaged.
4. If there is income for the current year, the Year to Date (YTD) Profit and Loss will be used to calculate gross income minus cash expenses. The gross income will be divided by the number of months to date in the current year. That number will be multiplied by 12 to calculate one year of income for the current year.
5. The current year will then be averaged with the past year(s).
6. If there is only the current year, the current year number will be used.

Businesses that have 2 full prior years of income:

1. Tax returns will be used for each of the 2 prior years.
2. The gross income minus cash expenses for each year will be used.
3. For the current year, the YTD Profit and Loss will be used. The gross income minus cash expenses divided by the number of months to date in the current year to calculate average monthly income. The average monthly income will be multiplied by 12 to calculate one year of income for the current year.
4. The current year will be averaged with the 2 prior years.
5. If there is no income for the current year, Step 1 will be used to calculate for 3 prior years and the 3 prior years will be averaged.
6. If the third prior year is the first year the business was operating, tax returns will be used to calculate gross income minus cash expenses. The gross income will be divided by the number of months the business was operating in that year to calculate average monthly income. Average monthly income will be multiplied by 12 to calculate one full year for the first year in business.

Seasonal Businesses:

1. The steps above will be used to calculate average monthly income. The average monthly income will be multiplied by 12 to calculate one full year of income.

c. Household Members

All individuals who are intending to occupy the unit must be included on the application. All adults not attending college and/or age 25 or higher must include income and assets on the application. For Affordable units adults not listed on the application may not reside in the

home within the first year and without prior approval from the Housing Department. For Workforce units, additional adults may reside in the home at any time, but the household must qualify and have approval from the Housing Department. No approval will be given to either Affordable or Workforce owners without all adult occupants signing an Occupancy Agreement. For Affordable units, divorces must be finalized prior to closing on the home. For Workforce units divorces are not required to be finalized, and applicants can apply without their spouse, and the spouse's income/assets, etc. will not be counted.

b. Household Net Assets

Eligibility for some restricted housing units is also based on a qualifying household's net assets.

1. Calculation of Net Assets

Household net assets include the value of all assets over \$500 in value including, but not limit too, bank accounts, investment accounts, life insurance, furniture, automobiles, jewelry, computer equipment, real estate, and recreational equipment; less any debt the household has. Net assets do not include retirement accounts unless money will be withdrawn to be used as a down payment or closing costs, business assets are limited to liquid assets.

Total household net assets shall not exceed two times the four-person household Income requirement for the income category of the housing unit. All household members' shares of liquid business assets shall be included in determination of total household net assets. Net assets of all household members shall be combined in determination of total household net assets. See the "Household Income and Asset Chart" for net asset thresholds, which is updated annually and published on the Housing Department website. A copy may be obtained from the Housing Department.

Rental units do not have asset limits.

2. Ownership of Real Property

a. Ownership at Time of Application:

At the time of application, a Household may own other undeveloped or developed residential or commercial property. The fair market value of such property will be taken into consideration when determining household net assets. A price opinion using a market analysis will be obtained by the Housing Department through a local real estate firm within thirty (30) days from the date of submittal of an application for a restricted housing unit to determine fair market value of the other undeveloped or developed property. The owner of the property will be solely responsible to pay for the price opinion in conjunction with submittal of the Housing Department Application.

1. Ownership of Commercial Property

A household will be able to maintain ownership of commercial property.

2. Designation of Mobile Homes

Mobile homes situated in a mobile home park or on other land with hook-ups to water/sewer and electricity will be considered residential property, and thus, will be required to be sold as with other residential property. If the mobile home is not situated in a mobile home park or other land with hook-ups to water/sewer and electricity, it will only be considered an asset.

3. Rental Income and Rental Assets

Rental income from any residential real estate will be counted toward household income and the asset will be counted toward net assets.

b. Required Sale of Residential Property

Once under contract for a restricted housing unit, the qualifying Household must list residential property (developed or undeveloped), located within 150 miles driving distance from the Town of Jackson, for sale at a price commensurate with the price opinion. If the property has not sold or is not under contract after one year from the listing date, within 30 days of the year expiring, another price opinion will be obtained. If the price opinion is lower than the listed price, the owner will have 30 days from the date of the price opinion to lower the asking price to that of the price opinion. If after 24 months from the date first listed, the property still has not sold or gone under contract, the Housing Manager of the Housing Department will issue an analysis of the property with a determination of the salability of the restricted housing unit along with the next steps required. A copy of the analysis will be provided to the owner, and the owner will have the opportunity to appeal the determination of the Housing Authority Board. The owner may be required to sell their restricted housing unit if the Residential Real Estate has not sold.

3. Disposition of Assets

Any member of a household who has assigned, conveyed, transferred or otherwise disposed of property or other assets within the last two (2) years in order to meet the net asset limitation or the property ownership limitation shall be ineligible to purchase a restricted housing unit.

c. Readiness to Purchase

Individuals purchasing a restricted housing unit must demonstrate readiness to purchase by showing the following:

1. Contingencies

Contingencies on lender's qualification must be approved by the Housing Department prior to entering a Weighted Drawing. Such contingencies include but are not limited to requirement to sell property, requirement to prove down payment via account statement, gift letter or other, and requirement to pay off debt. Examples of proof of down payment are a letter from a family member who may be providing a gift or a bank statement showing funds available.

2. Age

At least one individual in the household must be at least 18 years of age.

3. Execution of Legally Binding Contract

Completion of the Homebuyer Education course is required to meet eligibility criteria to enter a Weighted Drawing for a restricted housing unit and/or purchase a restricted housing unit. The required course is offered by Wyoming Housing Network or another Housing Department approved organization. The financial counseling offered after the completion of the homebuyer education course is encouraged but not required.

e. Online Intake Form

The Online Intake Form must be completed prior to entering a Weighted Drawing for a home. Completion of this form will put a household on the Housing Department's email list, and the household will begin receiving emails with information about homes when they are available. All advertising of homes available will be done through email to those who have completed the Online Intake Form and on the Housing Department website. The Online Intake Form can be found on the Housing Department's website: jhaffordablehousing.org. This form must be completed in its entirety and updated at least annually. It cannot be completed or updated during a Weighted Drawing process for a unit in the Affordable Program that the household wishes to enter. The Online Intake Form does not automatically enter a household into a Weighted Drawing. The Weighted Drawing is a separate process. See Section 4 Weighted Drawing.

SECTION 4. WEIGHTED DRAWING

The Affordable and Workforce Housing requirements may utilize the Weighted Drawing process to select a qualified household using the procedures listed below. The Weighted Drawing will be advertised on the Housing Department website, jhaffordablehousing.org, and via email to all households that have

completed the Online Intake Form. See Section 3-3e: Online Intake Form. **4-1.**

Minimum Occupancy Requirement

To ensure that the units meet the intended goals of housing the Teton County workforce and are consistent with mitigation requirements, the following occupancy requirements for units in the Affordable Program are:

Studio:	One (1) or two (2) people
One-bedroom:	One (1) or more people
Two-bedroom:	Two (2) or more people
Three-bedroom:	One (1) or two (2) adults with two (2) or more dependents For rental units; 3 or more people
Four-bedroom:	One (1) or two (2) adults with three (3) or more dependents For rental units; 4 or more people

There are no minimum occupancy requirements for units in the Workforce Housing program, except that if a household enters a drawing and meets the minimum occupancy requirements in accordance with the requirements for the Affordable Program, the household will be given one (1) point (entry) in the drawing.

For purposes of counting household size, children or adult dependents must live with the household and be claimed as a dependent on Federal Income tax returns.

Any deviation from the minimum occupancy requirements must be approved prior to the drawing through the exception process.

4-2. Weighted Drawing Points

Eligible households receive points that will determine the number of entries the household will receive in the Weighted Drawing. One (1) point is equal to one entry in the Weighted Drawing. One (1) point is assigned for each full year of consecutive full-time employment at a Local Business immediately prior to entering a Weighted Drawing, with a maximum of ten (10) points. One (1) point is assigned for each qualified Critical Service Provider with a maximum of two (2) points. One (1) point is given to a household who enters a drawing for a unit in the Workforce Program and meets the minimum occupancy requirements in accordance with the requirements for units in the Affordable Program. The total maximum points a household can receive is thirteen (13). Households are not eligible to enter a Weighted Drawing until they have one (1) full year of full-time employment in Teton County for a Local Business or one (1) point.

Points are given based on one person in the household. Years working in Teton County cannot be doubled up and must be verifiable. For example, a two-person household, one of which has been employed in Teton County for two years and the other for four years, would be assigned four (4) points.

a. Employment

At least one member of a household must be employed full-time in Teton County at a Local Business. Full-time employment is defined as at least one thousand five hundred sixty (1,560) hours per year or an average of at least thirty (30) hours per week. Employment exemptions found in Section 3 apply.

1. Interruption of Employment

Interruption of employment will be allowed in special circumstances if other employment criteria are met in Teton County, Wyoming at least two (2) years immediately prior to the interruption of employment. Interruption of employment will only be allowed for a maximum period of two (2) years. Points will not be given for the time during the interruption of employment. Points will be given for years employed full-time at a Local Business immediately prior to the interruption of employment. To obtain points for prior employment, a household must have reestablished full-time employment at a Local Business within one (1) month upon termination of the reason for the interruption of employment. Reasons for allowed interruption of employment include caring for a sick or disabled immediate family member, attending secondary school, and hospitalization. Verification documentation of the reason for interruption of employment will be required to obtain points for prior employment.

b. Additional Points

1. Critical Service Provider

Qualified Critical Service Providers (CSPs), as defined in SECTION 10. DEFINITIONS, may be eligible for a maximum of two (2) additional points. Any household may not receive more than two (2) points. However, if a household has one (1) person who qualifies as a Critical Service Provider for two (2) organizations, they will receive two (2) points.

The following conditions must be met to receive the Critical Service Provider designation and priority:

a. Critical Service Provider Designation

Organizations who believe their employees or volunteers meet the definition of Critical Service Provider can apply to the Housing Department to become an approved Critical Service Provider organization and have certain job positions deemed “qualified”. The Jackson/Teton County Housing Authority Board will approve or deny Critical Service Provider organization applications. Critical Service Provider Critical Service Provider Organization applications must be approved at a regular scheduled Housing Authority Board meeting prior to the close of a Weighted Drawing for applicants to enter a drawing as a qualified Critical Service Provider.

1. Required Documentation

Employees who work in these “qualified” positions for approved Critical Service Provider organizations can enter a Weighted Drawing and receive additional points. The positions must be approved as Critical Service Provider Positions at a regular scheduled Housing Authority Board meeting prior to the close of a Weighted Drawing. These individuals must submit a “Critical Service Provider Supervisor Questionnaire” along with their Weighted Drawing entry documents. These will be held on file for a period of six months before needing to be updated. The Housing Department will contact the Critical Service Provider’s supervisor to update the Supervisor’s Questionnaire.

b. One Year of Full-Time Employment

A qualified Critical Service Provider must earn one (1) point for one (1) year of full-time employment in Teton County at a Local Business prior to receiving points as a Critical Service Provider.

c. Approval Process

Applications received by the Housing Department for approval as Critical Service Provider Organizations will be processed by staff. The Housing Manager will make a recommendation

to the Jackson/Teton County Housing Authority Board who will approve or deny the application.

c. Accessible Units

Priority will be given to households with member(s) who are mobility impaired. If more than one Weighted Drawing entry is received for Accessible units, a Weighted Drawing will be held. If no households with members who have mobility impairments apply, the Weighted Drawing will be held with all other applicants.

d. No Qualified Entries

After a Weighted Drawing where no qualified entries exist, the unit will be offered again in a Weighted Drawing. If the unit has minimum occupancy requirements, it will be open to households in the next tier of the minimum occupancy requirements. If there are no minimum occupancy requirements or if after offering the unit again in a Weighted Drawing there are still no qualified entries, the home will be offered first come, first served. The first qualified household to submit a complete application will have the opportunity to purchase. First come households will be allowed to make an offer on the home. In the case an offer is made that is less than the Maximum Resale Price, the owner may accept or reject the offer. The Housing Department may make a different determination if the owner is in default and/or if the sale is a forced sale.

e. Email Confirmation

Households who submit a complete Weighted Drawing entry during an open Weighted Drawing for a housing unit will receive an email confirmation that their Weighted Drawing entry has been entered. The confirmation will be sent prior to the close of the Weighted Drawing and will include the number of entries received.

f. Incomplete Weighted Drawing Entries

The Housing Department will not accept or enter any incomplete Weighted Drawing Entries into a Weighted Drawing. It is the responsibility of the household wishing to enter the Weighted Drawing to submit a complete Weighted Drawing entry with updated documentation and to contact the Housing Department to ensure it is complete and has been accepted.

g. Drawing Results

Drawing results are kept on file with the Housing Department and may be requested by the public.

h. Town and County Options

When the Town of Jackson or Teton County holds an option on a unit, Town or County employees will have a preference in Weighted Drawings.

4-3. Weighted Drawing Entry

a. Open Weighted Drawing

When a housing unit under a Housing Department program becomes available for rent or for sale, a Weighted Drawing will be opened by the Housing Department. Open Weighted Drawings begin on Wednesdays, remain open for two (2) weeks and close at 4:00 PM on Tuesdays. Information about the housing unit and how to enter the Weighted Drawing will be posted on the Housing Department's website www.jhaffordablehousing.org. Households who have completed an Intake Form will receive an email notice that the housing unit is available with links to information about the unit and how to enter the Weighted Drawing. A text message will also be sent. The Housing Department may also advertise using other methods.

b. Required Documents

1. Weighted Drawing Entry Form

A Weighted Drawing Entry Form must be submitted for each housing unit's Weighted Drawing. It must be completed in its entirety. Fields that do not apply shall be completed with N/A or a strike.

2. Current Work Verification

Documentation showing total income earned and hours worked at the current place of employment. An Affidavit of Current Employment must be submitted for each adult member of the household (except adult children under the age of 25 who are attending college). The Affidavit of Current Employment must be completed by the employer or employer's agent and include the employer's notarized signature. If the employer does not have access to a notary, they may deliver it directly to the Housing Department via email, USPS, fax, or by hand.

3. Previous Work Verification

Affidavits of Previous Employment are required to verify a minimum of one year of full-time working hours for a Local Business in Teton County, WY. Only one member of the household must verify one year of full-time work. Affidavits of Previous Employment are to be completed by the

former employer or employer's agent and include a notarized signature. If the employer does not have access to a notary, they may deliver it directly to the Housing Department via email, USPS, fax, or by hand.

Affidavits of Previous Employment are also used by the Housing Department to verify years of work history for points in the Weighted Drawing. See Section 4-2.

Other types of verification of previous employment may also be accepted such as a final pay stub for the year showing business name and total hours worked for the year.

4. Other Types of Employment Verification

In cases where Affidavits of Employment are not possible, the Housing Department may accept the following documentation.

- Full year W-2s with final pay stub of the year showing hourly wage and annual hours worked.
- Sworn statement/affidavit from past business owner or owner's agent including hours worked.
- Caregiver – One (1) year verification of residency immediately prior to drawing entry, two (2) forms of the following: lease, warranty deed, utility bills or other statement showing physical address verifying full-time residency in Teton County Wyoming, Teton County Idaho, or Lincoln County Wyoming, and a birth certificate for child, or letter from a health care provider for adult.
- Military – two (2) years local employment verification prior to beginning military service.

5. Homebuyer Education Certificate

At least one member of the household must complete the Homebuyer Education Course. The required course is offered by the Wyoming Housing Network or if not available, another course approved by the Housing department. See Section 5-2.C.1.h.4.

10. Interruption of Employment Verification

Individuals who qualify for Interruption of Employment must submit two (2) years of work history immediately prior to the start of the Interruption of Employment, and verification of the reason for the Interruption of Employment such as school transcripts, or a letter from a health care provider. See Section 4-2.A.1.

SECTION 5. PURCHASE AND SALE STANDARDS AND PROCEDURES

5-1. Sale and Resale Standards

a. **Applicability**

Each restricted housing program dictates both the initial sales price and the maximum resale price. The restrictions for each unit should be consulted for exact details.

1. Affordable Housing Program

For the Affordable housing program, these Housing Department Rules and Regulations set out how to determine both the initial sales price and the maximum resale price.

2. Employment-Based Housing Program

The initial sales prices and maximum resale prices for Employment-Based housing units are determined by these Housing Department Rules and Regulations.

3. Workforce Housing Program

The initial sales prices for Workforce housing units are negotiated between the owner and the buyer. After the initial sale, the value will appreciate according to the Denver-Aurora-Lakewood CPI with a maximum of 3%. If the Denver-Aurora-Lakewood CPI no longer exists, another similar index will be used.

4. Attainable Housing Program

The Attainable housing program does not place limits on sale or resale prices, but buyers still must meet the qualification and eligibility rules laid out in Section 3. Qualification and Eligibility.

5. Other Programs

For other restricted housing units, the property's restrictions clarify how the sale and resale prices are configured.

6. Rental Rates

For information on maximum rental rates permitted by the rental housing programs, see Section 5-2 and 6.

b. Maximum Sales Price

The Housing Department updates the maximum sales prices for Affordable housing units obligated by the LDRs on April 1st of each year. The maximum sales prices are available on the Housing Department's website or at the Housing Department. The methodology listed below shall determine the maximum sales prices. The intent of the maximum sales prices is to ensure initial and long-term affordability.

1. Median Family Income

Each year, the U.S. Department of Housing and Urban Development (HUD) releases Median Family Income figures for Teton County, Wyoming. The Housing Department uses this data to determine household incomes for the applicable restricted housing units based on number of bedrooms and persons per bedroom.

2. Household Size

The Household Size for determining maximum sales price is based on number of persons per bedroom in the applicable restricted housing unit.

3. Affordability Range

The household income for the applicable restricted housing unit is set at the middle of the affordability range to ensure affordability. For example: the MFI used to calculate affordability for the 80% - 120% income range is 100% of MFI.

4. Percentage of Income

The national standard for household affordability is that a household does not pay more than 30% of its gross income toward housing costs. Therefore, monthly payments (including principle, interest, taxes, insurance and HOA dues) cannot exceed 30% of the Median Family Income for each affordability range.

5. Maximum Sales Price Calculation

The maximum sales price for a restricted housing unit is determined by calculating 30% of a qualifying household's income, using the following assumptions:

a. Loan Principal and Interest

22% of household income covers principal and interest.

b. HOA dues, Taxes, and Insurance

Eight percent (8%) of household income covers HOA dues, taxes, and insurance,

c. Mortgage Assumptions.

Assumptions for the mortgage include: 30-year mortgage, 5% down payment, 20-year rolling average interest rate for a qualifying household earning the median of the applicable income category.

6. Potential Variability of Maximum Sales Price

a. Below grade or no garage

The maximum sales prices will be lower if the unit is below grade, or if there is no garage.

b. Housing Department Option to Purchase

If an owner is determined to be in default of their restrictions, the Housing Department will have the option to purchase the property for a purchase price equal to the maximum resale price or the appraised value, whichever is less, subject to the Housing Department's ability to limit appreciation and/or reduce proceeds, and on such other terms as are provided in the restrictions.

c. Stopping Appreciation

If an owner is found to be in default of their restrictions, the Housing Department may cease the appreciation of the property when determining the maximum resale value beginning on the known date the owner began being in default.

C. Maximum Resale Price

The intent of the maximum resale price is to ensure long-term affordability of the restricted housing units at resale. The maximum resale price (MRP) shall be the original purchase price (OPP) with the following adjustments:

1. Appreciation 3% or Denver-Aurora-Lakewood CPI

Appreciation of the value of the restricted housing unit is based on the Denver-Aurora-Lakewood CPI each year not to exceed 3%. The latest published numbers for Quarter two (2) and Quarter

Section 5. Purchase and Sale Standards and Procedures

5-1. Sale and Resale Standards

four (4) of each year will be used unless the deed restrictions or ground lease specifically reference an alternative appreciation method or no measured appreciation.

The following standards apply:

1. Date of purchase is defined as seller's original closing date (date seller purchased the restricted housing unit). If the closing date is on or after the 15th of the month, the month is not counted for prorating the value. If the closing date is before the 15th of the month, the entire month is counted.
2. Three (3) months will be added to the date that the "Letter of Intent to Sell" is received and will be considered the estimated closing date.
3. If the Letter of Intent to Sell is received on or before the 15th of the month, the entire month is counted. If the Letter of Intent to Sell is received after the 15th of the month, the month will not be counted. Each eligible whole month will be prorated.

a. Denver-Aurora-Lakewood CPI

The CPI used to calculate maximum resale prices in some restrictions is the Denver-Aurora-Lakewood (formerly Denver-Boulder-Greeley) CPI. New figures are published by the Colorado Department of Labor and Statistics twice a year, normally in March and August. In calculating the allowed maximum appreciation of a home, the latest reported figure will be averaged with the other reported figure for the year and used up to the date new figures are released. Once a Facilitation Agreement has been signed, new figures will not affect the maximum resale price. If the Denver-Aurora-Lakewood Colorado CPI ceases to exist, a comparable index will be used.

b. Northwest Wyoming Cost of Living Index

The Northwest Wyoming Cost of Living Index (NWCLI) figure used to calculate maximum resale prices in some ground leases is obtained from the Wyoming State Division of Economic Analysis and is calculated with All Items minus Housing. It is updated quarterly and released generally in June for the First (1) Quarter, October for the Second (2nd) Quarter, December for the Third (3rd) Quarter and March for the Fourth (4th) Quarter. The latest reported figure will be averaged with the other reported Quarters of the year and will be used up to the date the new figures are released. Once a Facilitation Agreement has been signed, new figures will not affect the maximum resale price. If the NWCLI ceases to exist, a comparable index will be used.

c. Flat Appreciation Rate of 2.5 Percent

The flat appreciation rate of 2.5% found in some restrictions is not based on an index. Rather, it is based on an analysis of incomes over 20 years, where it was found that incomes rose on average by 2.5% per year.

2. Cost of Actual Capital Improvements

Restricted housing units that have deed restrictions or ground leases allowing for improvement credits can add the value of these improvements to the appreciated value to calculate the MRP based on the following.

Credit for capital improvement expenditures on the restricted housing unit given at resale will be no more than 10% of the OPP of the home except where the Housing Department has determined otherwise. All capital improvements must be pre-approved by the Housing Department and properly permitted and inspected by the Town of Jackson or Teton County Building Official. Approval/disapproval must be determined prior to actual construction to be considered at time of sale. Improvements done without prior approval will not be considered for capital improvement credit. It is the owner's responsibility to secure any approval necessary from the restricted housing unit's Homeowners Association and obtain any necessary permits prior to undertaking any Capital Improvement. Please consult Section 5-1.E. Capital Improvement Standards.

3. Depreciated Costs of Capital Improvements

The depreciated costs of Capital Improvements can be added to the appreciated value to calculate the MRP, so long as they do not exceed ten percent (10%) of the OPP or as determined by the Housing Department on a project-specific basis. All capital improvements will be depreciated as applicable according to the National Association of Home Builders/Bank of America Home Equity Study of Life Expectancy of Home Components or a similar resource. See Section 5-1.E Capital Improvement Standards.

4. Maintenance Adjustment

Households are required to keep restricted housing units in a properly maintained state. Housing Department staff and/or a third-party inspector hired by the Housing Department will inspect the property after receiving the Letter of Intent to Sell from the owner. The inspector will provide an inspection report to the Housing Department. The Housing Department may require the owner to repair or replace items on the inspection report. The buyer also has the opportunity to inspect the property and provide the Housing Department with a list of items. If required repairs, replacement, or cleaning are not made by the owner prior to the Housing Department's final walkthrough two (2) business days before closing, the Housing Department will estimate the costs at its sole discretion, and an adjustment may be made to the seller's proceeds or to the maximum resale price. These funds will either be given to the buyer to make the repairs or held by the Housing Department at the Housing Department's sole discretion. If funds are given to the buyer, the buyer will be expected to make the repairs on their own. If the repairs are not made, the buyer will be charged when they sell the home. If the Housing Department holds the funds, the buyer will be reimbursed based on receipts received from the buyer. If any funds remain after the repairs are completed, they will be released to the seller.

5. Other Costs

Any additional costs allowed by the Housing Department pursuant to the policies in effect on the date of the restricted household's Letter of Intent to Sell.

d. Selling Procedures

All restricted housing units shall be sold in accordance with applicable restrictions and/or these Housing Department Rules and Regulations as determined by the Housing Department, Town and/or County, which may vary depending on the specific housing program under which the restricted housing units were created.

1. Letter of Intent to Sell

The seller shall submit a completed Letter of Intent to Sell form to the Housing Department to begin the selling process. The form can be found on the Housing Department's website or can be obtained from the Housing Department. The Housing Department staff will set up a meeting with the seller to review the selling process and the seller documents. The Letter of Intent to Sell must be submitted and the meeting with the seller must occur the week prior to the beginning of the Weighted Drawing entry period. See section 4. The seller shall be given the option to choose the Title Company. If the seller has no preference, the Housing Department will choose the Title Company. If the seller decides not to sell the unit after submitting the Letter of Intent to Sell, the seller must reimburse the Housing Department for any costs the Housing Department has incurred. Once the contract has been signed by buyer and seller, both parties are legally bound by the contract.

2. Facilitation of Sale

The Housing Department facilitates the sales of restricted housing units to accomplish the sale according to the instructions in the Ground Lease/Deed Restriction and to provide a transfer to a Qualified Household. Specifically, the Housing Department facilitates sales of Affordable housing units, Employment-Based units, and Workforce housing units. Sellers will be required to enter into a Facilitation Agreement with the Housing Department to sell their home. The Facilitation Agreement must be executed prior to advertising the home for sale through a Weighted Drawing process.

3. Maximum Resale Letter

The resale price of the restricted housing unit shall be calculated according to its restriction and stated in the "Maximum Resale Letter." Maximum resale prices will be rounded to the nearest dollar. An official copy will be mailed, or hand delivered. A copy can be requested from the Housing Department by email or fax. The Maximum Resale Price shall be the only exchange of

Section 5. Purchase and Sale Standards and Procedures

5-1. Sale and Resale Standards

value between parties to any sale of the restricted housing unit. Any exchange of value outside the allowed sale price shall invalidate the sale.

4. Facilitation Fee (2%)

At the closing of the sale, the seller will pay to the Housing Department a fee equal to two percent (2%) of the sales price, unless otherwise instructed in the deed restriction, for facilitation services. The Housing Department may instruct the Title Company to pay such fees out of the funds held for the seller at closing. The Housing Department may also waive the fee, or a portion thereof, in its sole discretion.

5. Costs for Declining Initiated Sale

If the seller decides not to sell the restricted housing unit at any point before closing, the seller will be responsible for all advertising and/or other costs associated with listing the unit for sale.

6. Viewing of Unit

Once the Weighted Drawing is completed, the first household drawn will be contacted by the Housing Department and a time set up to view the unit. This viewing shall occur within five (5) business days of the household being notified that they were selected first in the drawing. The household will have two (2) business days to respond to the Housing Department's efforts to contact them to notify them that they were selected. A phone call and an email will be sent to the household. If there is no response, the Housing Department will move on to the next household drawn. The seller is required to make the restricted housing unit available with reasonable notice on a minimum of two (2) occasions to show the property to the selected household prior to going under contract.

7. Inspection

The Housing Department will order a third-party inspection to be done on the home by a qualified home inspector. The inspection information/report is for the use of the Housing Department and will not be released to any buyer. Buyers shall have the option to order their own inspection to be done on the home. It is the Housing Manager's sole discretion as to whether items found by an inspector will be required to be repaired. A list of items required to be repaired will be given to the seller by the Housing Department. The seller is expected to have the items completed no later than three (3) business days prior to the closing date.

8. Complete Application

The household shall have five (5) business days from the day they are notified that they were selected first in the drawing to submit a complete application to the Housing Department. The Checklist for Complete Application and Application form can be obtained from the Housing Department's website or from the Housing Department. The Housing Department reserves the

Section 5. Purchase and Sale Standards and Procedures

5-1. Sale and Resale Standards

right to request additional documentation when verifying a Household's eligibility and qualification. If for any reason the buyer cannot close within three (3) weeks of the seller's timeline, the seller may choose to move on to the next household drawn.

9. Qualification

The Housing Department shall review the application and supporting documents and calculate income, assets, and hours worked to verify eligibility and qualification. This process normally is complete within five (5) business days of receiving the application. However, it may take longer in unique circumstances. Once the Housing Department completes the review and verification of eligibility and qualification, the applicant is notified of approval or denial. If the applicant does not qualify, the next household drawn in the Weighted Drawing will be notified and the process will start over.

10. Qualified Household Meeting

When the Housing Department has identified a qualified household who wishes to move forward with the purchase of the home, the qualified household will have five (5) business days to attend a meeting to review the purchase process and purchase documents, which include the Contract for Purchase and Sale of Residential Real Estate or Residential Improvements in the case of a Ground Lease and the buyer's Facilitation Agreement. The applicant has five (5) business days from the meeting day to review and execute the purchase documents and return them to the Housing Department with earnest money as called for in the Contract. If the contract is not signed and returned within five (5) business days, the next household selected in the drawing will be notified and given the option to purchase the home if qualified.

11. Final Walk Through

The seller shall be notified immediately upon receipt of the signed contract and earnest money to execute the contract. The seller shall have two (2) business days to return the signed contract, or the closing may be delayed. A copy of the contract and the earnest money are then delivered by the Housing Department to the Title Company.

A final walk through will occur generally two (2) business days prior to the closing date. If the Housing Department finds maintenance or repair items that have not been completed, the Housing Department will estimate the costs of the maintenance/repair items and funds will be withheld from the seller's proceeds to cover the costs.

e. **Capital Improvement Standards**

1. Approval Required

Owners must receive written approval from the Housing Department prior to beginning the work in order to receive credit for the capital improvement. To obtain approval, the Request for Capital Improvement form must be submitted along with estimated costs and drawings and/or plans and a narrative of the work to be done. Once the improvement is complete, copies of all receipts for materials and labor must be given to the Housing Department. No credit will be given for sweat equity.

a. Capital Improvement Request Fee

Applicants for Capital Improvement requests will be charged a fee by the Housing Department in accordance with the Housing Department Fee Schedule.

2. Workmanlike Manner

All improvements whether approved Capital Improvements or other must be built in a workmanlike manner, and according to Town of Jackson or Teton County building codes. All required permits and completion releases must be obtained from the Town or County. Any owner that does capital improvements without obtaining the proper permits or if it is determined at the Housing Department's sole discretion that the improvements have not been done in a workmanlike manner may be required to make repairs or remove the improvements and return the home to its original condition.

3. Approved Capital Improvements

A Capital Improvement is an improvement done to the home for which the homeowner can receive credit. The capital improvement requires an expenditure that either increases the value of the property or extends its life expectancy but is not a luxury item. The term "approved capital improvement" shall only include the following:

1. Fixtures erected, installed or attached as permanent, functional, non-decorative improvements to real property, excluding repair, replacement and/or maintenance improvements.
2. For the benefit of seniors and/or handicapped persons.
3. Health and safety protection devices (including radon).
4. Adding and/or finishing of permanent/fixed storage space.
5. Finishing of unfinished space.

Section 5. Purchase and Sale Standards and Procedures

6. Landscaping; Adding trees, shrubs, lawn, patio, walkways, or sprinkler systems.
7. Decks and balconies, and any extension thereto.
8. Partial credit may be given for upgrade improvements that will increase the life of the component as compared to the original product or increase the long-term affordability of the home.

4. Improvements Not Approved for Credit

Permitted capital improvements shall not include the following:

1. Jacuzzis, saunas, steam showers and other similar items.
2. Upgrades or addition of decorative items, including lights, window treatments and other similar items.
3. Upgrades of appliances, plumbing and mechanical fixtures, carpets and other similar items included as part of the original construction of a unit, unless replacement is shown to improve the lifespan of the component or the long-term affordability of the restricted housing unit;
4. Repair and Maintenance Items – a repair or maintenance item is an expenditure that restores a property to a sound state.

f. Resale and Transfer Limitations

1. Transfer of Title

Transfer of title is not allowed unless approved by the Housing Department. To apply for approval, owners need to complete the Housing Department's Request for Transfer of Ownership (Title) form and submit it to the Housing Department along with a fee in accordance with the Housing Department Fee Schedule published annually, which covers legal and recording fees. In some cases, a complete application will be required to be submitted for qualifying purposes.

a. Divorce

In the event of the divorce of an owner, the Housing Department may consent to the transfer of the residential unit to a spouse of an owner, which spouse may not otherwise qualify as a qualified household, only upon receipt of an order issued by a Court of competent jurisdiction ordering such transfer.

b. Death

1. Nonqualified Transfer on Death

Section 5. Purchase and Sale Standards and Procedures

5-1. Sale and Resale Standards

In the event of the death of an owner, the Housing Department may consent to the transfer of the residential unit to an heir or devisee of such deceased owner, which heir or devisee may not otherwise qualify as a qualified household only upon receipt of an order issued by a Court of competent jurisdiction ordering such transfer.

2. Qualified Transfer on Death

In the event of the death of an owner, a qualified transferee must meet Occupancy, Use, Qualification and Eligibility criteria in accordance with these Housing Rules and Regulations within 90 days of the transfer of title.

c. Nonqualified Transferee

If title to the restricted housing unit vests in a nonqualified transferee, as defined in these Housing Department Rules and Regulations Section 3-2. Qualification, the restricted housing unit shall immediately be listed for sale in accordance with the restrictions and the Housing Department Rules and Regulations. The following shall apply when the Housing Department determines there is a nonqualified transferee:

1. Cooperation with the Housing Department

A nonqualified transferee shall cooperate with the Housing Department to affect the sale, conveyance or transfer of the restricted housing unit to a qualified household (or the Housing Authority in the event of its exercise of its option to purchase) and shall execute any and all documents necessary to such sale conveyance or transfer.

2. Compliance with Restriction

A nonqualified transferee shall comply with the restrictions, the Housing Department Rules and Regulations, and all other covenants regulations, ordinances, statutes, laws, or rules governing the ownership, occupancy, use, development or transfer of the restricted housing unit, and further may only occupy the restricted housing unit with the prior written consent of the Housing Department.

2. Trusts

Restricted housing units may not be put into any type of a trust. This is the equivalent of transferring ownership, and trusts are not qualified to be the owner of a restricted housing unit.

3. Nontestamentary Transfer on Death

A Nontestamentary Transfer on Death deed is allowed to be recorded on restricted housing units. Applicant for a Nontestamentary Transfer on Death will use the Housing Department's form and pay a fee to the Housing Department in accordance with the Housing Department Annual Fees schedule. The Housing Department must approve the document before recordation.

4. Title

Applicants and Co-applicants are required to be on title to the home or sign an Occupancy Agreement. See Section 5-1.F.5. Additions and removal of names on the title constitute a transfer of title. The Housing Department must approve all transfers of title. Transfers of title without the consent of the Housing Department constitute Default.

5. Occupancy Agreement

All adults who are not on title and occupy any restricted housing unit for more than 30 cumulative days in a calendar year, except for children under the age of twenty-five (25) attending college, must sign an Occupancy Agreement along with the Owner. Owners of Affordable units may allow other adults to occupy their unit after one year of ownership with approval from the Housing Department. Owners of Workforce units may allow other adults to occupy their unit anytime after closing on the purchase with approval from the Housing Department. All adults not on title who occupy a restricted housing unit will need to sign and Occupancy Agreement. See Section 5-1.F.5

d. Audits

In addition, the Housing Department may allow access to personal and private information to any person or entity undertaking an independent audit of the records kept under these Housing Department Rules and Regulations, provided that such person or entity agrees to be subject to this confidentiality provision.

2. Independent Legal Counsel

All sellers and buyers of restricted housing units are advised to consult independent legal counsel to examine all contracts, CC&Rs, deed restrictions, agreements, affidavits, closing statement, title documents, etc. The retention of such counsel, or related services, shall be at the seller's and buyer's own expense. The sellers and buyers and/or their attorneys will not be allowed to make changes to Housing Department documents. A Buyer's Acknowledgement form will be required to be signed prior to closing acknowledging recommendation to obtain legal counsel. The Buyer's Acknowledgement form will be provided to the buyer for review prior to closing.

3. Title Company

The Housing Department advises sellers to use a title company and escrow agent located in Jackson, Wyoming to close the transaction because of their expertise with the Housing Department's restricted housing programs and their unique and technical closing documents. The seller and buyer shall authorize the Housing Department to review the Settlement Statement prior

Section 5. Purchase and Sale Standards and Procedures

to closing. Sellers can select a title company and escrow agent of their choice. If no title company is indicated, the Housing Department will select one.

4. Lenders

a. Approved Lending Institutions

Borrowers are restricted to the following lending institutions licensed to engage in mortgage lending practices in the State of Wyoming:

1. Institutional Lender

An “institutional lender” such as, but not limited to, a federal, state, or local housing finance agency, a bank (including savings and loan association or insured credit union), an insurance company, or any combination of the foregoing, the policies and procedures of which Institutional Lender are subject to direct governmental supervision; or

2. Community Loan Fund

A “community loan fund”, or similar non-profit lender to housing projects for income-eligible persons (e.g. is not given to or acquired by any individual person); or

3. Non-Affiliated Legitimate Finance Company

A non-affiliated, legitimate, finance company. In no event shall such finance company be an individual or any company that is affiliated with or has any affiliation with the owner or any family member of the owner.

b. Required Down Payment and Loan to Value Ratio

The Housing Department requires that all buyers have at least 3.5% down payment on a purchase, and no refinance or second mortgage obtained after the original purchase is allowed to be higher than 95% loan to value.

c. Debt to Income Ratio

The total debt to income ratio for a household may not exceed 45%.

d. Qualified Mortgage

Lenders may submit a Qualifying Mortgage form to the Housing Department to have the mortgage deemed a “qualifying mortgage.” When submitting a qualified mortgage request, a copy of the title commitment and the Transmittal Summary (HUD Form 1008), or other documentation containing the same information, is required to be attached. The Qualifying Mortgage form can be obtained from the Housing Department or from the Housing Department’s website.

Section 5. Purchase and Sale Standards and Procedures

5-1. Sale and Resale Standards

For homes that do not have a measured appreciation, such as Attainable homes, an appraisal recognizing the restriction on the property is required.

The Housing Department reserves the right to require additional information before approving a mortgage as a “qualifying mortgage”.

5. Total Debt

Owners shall not incur debt, liens or other obligations secured by the restricted housing unit that exceed 95% of the Original Purchase Price of the unit and shall notify the Housing Department immediately when a change in the total of these secured obligations is anticipated. No second mortgages, including but not limited to home equity lines of credit, shall encumber the restricted housing unit without advance approval by the Housing Department.

6. Co-Ownership

Any co-ownership arrangement other than Joint Tenancy or Tenancy-In-Common must be approved by the Housing Department. All adults occupying the unit, with the exception of children under the age of twenty-five (25) attending college, must sign an Occupancy Agreement.

7. Co-Signors

Co-signors are guarantors for payment of mortgage. If an exception to the “no co-signors” rule is granted, co-signors shall not occupy the unit. Co-signors are not co-owners, so they are not allowed on the title. No lien or security can be placed on the property besides the mortgage itself.

8. Homeowners Associations

The restricted housing unit may be subject to a Homeowners Association (HOA). All owners of restricted housing units are required to pay HOA dues, and potential special assessments and fees if applicable, unless otherwise exempted. HOA dues may be substantial and are factored into the maximum sales price. Homeowners Associations frequently have interests and regulations, other than the Restriction, that affects the restricted housing unit. It is the owner’s responsibility to be aware of these interests and regulations. Failure of an owner to comply with the HOA Rules and Regulations or CC&Rs constitutes default of the Housing Department Rules and Regulations.

9. Homeowners’ Hazard Insurance

Owners are required to keep hazard insurance on their homes for 100% replacement cost. Since the homes are subsidized, this amount could be more than the price of the home. Often times Homeowners Associations provide insurance. Depending on how much coverage the HOA provides, the owner may be required to provide additional insurance to guarantee complete replacement of the home. Ground lease properties are required to name the Jackson/Teton County Housing Authority as additionally insured.

5-2. Purchase Procedures

a. Selection of Qualified Household

A unique process applies for selecting each qualified household within each housing program. The following sections provide specific details regarding each housing program. The restrictive covenant should be consulted for exact details.

1. Weighted Drawing

In the event that the Housing Department receives one or more Weighted Drawing entry sheets at the maximum resale price from qualified households during the Weighted Drawing entry period, the buyer will be selected according to preferences set for that particular Housing Program. In the event no Weighted Drawing entry sheets are received during the Weighted Drawing entry period, the selection process would be determined either by a bid process or a “first come first served” process. The restrictions on the property clarify which selection procedure to use.

a. Errors

Every effort is made by the Housing Department to ensure fair and equitable drawings. Drawings are not drawn by the Housing Department. Housing Department staff compiles Weighted Drawing entry sheets with all eligible households included. The Weighted Drawing is drawn by outside counsel. On the rare occasion that an error is made in compiling or drawing of a Weighted Drawing, the error will be corrected, and the Weighted Drawing will be re-drawn.

2. Bid Process

If the restrictions require it, the qualified household submitting the highest bid price (not to exceed the maximum resale price) during the Bid Period shall have the first right to purchase the unit. The owner of the unit shall have the right to accept or reject the bid.

3. No Qualified Weighted Drawing Entries

Refer to Section 4-2.d. Other Sale/Resale Procedure.

4. Owner Selection

If the restriction permits, the owner of the restricted housing unit may be allowed to select the qualified household. Other than verifying that the qualified household meets the qualification and eligibility requirements for the restricted housing unit, the Housing Department shall not have any authority to choose the buyer of the restricted housing unit unless authorized by the owner.

5. Attainable Housing Program Sale Procedures

a. Listing of Unit

When an owner wishes to sell an Attainable housing unit, they can either list the home with a realtor or for sale by owner.

b. Letter of Intent to Sell

The owner of the Attainable housing unit is required to submit a Letter of Intent to Sell to the Housing Department before listing or advertising the unit for sale.

c. Advertising

The owners will be responsible for advertising their Attainable housing unit for sale with the exception that the Housing Department will advertise the unit on their website at no cost to the owner.

d. Sale Price

There is not a maximum resale price for Attainable housing units. The owner will set the price with the understanding that the household who buys the unit will need to qualify under income, asset, and employment criteria. The price may be negotiated before entering into an agreement to purchase.

e. Purchase and Sale Agreement (Contract)

The buyer will be responsible for providing the Purchase and Sale Agreement at the time of making an offer to purchase an Attainable housing unit. The seller may make a counteroffer that includes changes to the Purchase and Sale Agreement. The Attainable housing unit is under contract when an offer and/or a counteroffer is accepted, and both the buyer and seller have signed it. The Purchase and Sale Agreement must contain a contingency that the Housing Department must verify that the buyer is “qualified” to purchase the Attainable housing unit. The Housing Department will not deem a buyer “qualified” until a contract has been executed by the seller and the potential buyer.

f. Housing Department Privy to Purchase and Sale Agreement

A full copy of the fully executed Purchase and Sale Agreement shall be provided to the Housing Department. All financial information shall remain confidential except that the Housing Department will provide information concerning sales prices when needed.

g. Application for Qualification

1. Time of Submittal: The Attainable housing unit must be under contract before the buyer provides an application to the Housing Department.

2. Time to Process: If the application is complete and thorough, the Housing Department will have a determination of qualification within five (5) business days of receiving the application. It may take longer if the Housing Department must request further information from the applicant.

3. Qualified Buyer Letter: Once the household is deemed to be “qualified” to purchase the Attainable housing unit, the Housing Department will provide a Qualified Buyer Letter to the applicant. This letter will be used to verify to the seller and the title company that the household is qualified to purchase the unit.

4. Lenders: See Section 5-1.G.4 Lenders

5. Closing: The closing date and time is set between the sellers, buyers, financial institution, the title company, and the Housing Department. The buyers will be required to sign a Buyer’s Acknowledgement at the time of closing. This document will certify that the buyers acknowledge receiving a copy of the restrictions as well as agreeing to allow the Housing Department to release the sales price of the home, and also agreeing to the Housing Department’s right of first option to purchase the unit in case of default by signing a Power of Attorney in Case of Default.

b. Viewing of Restricted Housing Unit

The seller of the restricted housing unit will allow the potential buyer to view the unit to see that it meets their household’s needs. If the household decides to purchase the restricted housing unit, they will have the opportunity to inspect the unit further once it is under contract.

c. Submit Application

The potential buyer will have five (5) business days to submit a complete application. The required Housing Department documents are available from the Housing Department or from the Housing Department website.

1. Materials Included with Application

a. Application

The Lender's Qualification Worksheet must be submitted to enter a Weighted Drawing. Lender's Qualification Worksheets may not be faxed; they can either be emailed or submitted in person or mailed by USPS. The worksheet must reflect a loan amount and down payment amount that is equal to or greater than the sale price of the home.

c. Credit Report

A three-bureau credit report including credit scores (not more than one year old) is required to help Housing Department Staff determine if the Household is financially healthy and able to make payments on a mortgage. The credit report also helps determine debt to income ratios.

d. Verification of Down Payment

An account statement or signed and notarized letter from someone supplying a gift, or other verification of funds for a down payment is required.

e. Verification of Hours and Years Worked

Affidavits of Employment, detailed check stubs, or other adequate proof of hours and years worked is required at Weighted Drawing entry to receive points in the Weighted Drawing. Affidavits are required to be completed, signed, and returned directly to the Housing Department by the employer. They may not be completed by the applicant. If hours or years worked cannot be verified, they will not be counted.

Historical information for hours and years worked will be kept on file with the Housing Department. Information is required to be updated annually or if any changes occur.

f. Power of Attorney in Case of Default

Buyers may be required to sign a Power of Attorney in Case of Default form appointing the Housing Manager of the Housing Department Attorney in Fact in the case of default and forced sale. The Housing Department may use other methods for remedying a default such as a mortgage against the property or a Quit Claim Deed held in Escrow, which would be agreed to at time of purchase.

g. Federal Tax Returns

Signed federal income tax returns and all attachments (including W-2s and 1099s) and schedules for the last two (2) years for all adult household members are required. If there is self-employment, three (3) years of business and personal tax returns, along with a current Profit and Loss Statement and balance sheet, are required. The Housing Department uses tax returns to verify several different aspects of qualification such as but not limited to income, assets, residential homeownership, and sources of income.

h. Additional Information

Additional information may be requested to determine eligibility or qualification status. This may include:

1. Verification of Household Net Assets

Household net assets are verified through tax returns, account statements, verification of deposits from financial institutions, and the NADA or Kelly Blue Book.

2. Verification of Current Employment in Teton County

One or more of the following are needed to verify employment in Teton County:

Wage stubs

Employer name, address, and phone number

Contract for employment

“Affidavit of Employment” (Housing Department)

3. Authorization to Release Information

An Authorization to Release Information form signed by all adults in the household to obtain third party employment verifications.

4. Verification of Completion of Homebuyer Education Course

Section 5. Purchase and Sale Standards and Procedures

5-2. Purchase Procedures

At least one adult per household must complete the Homebuyer Education Course. The required course is offered by the Wyoming Housing Network or if not available, another course approved by the Housing Department. This applies to all households regardless of whether they have owned a home or not. This certification only needs to be completed once; however, if a household changes size and the adult who completed the certification is no longer a part of the household, it will need to be taken by an adult who is a part of the household. The Housing Department will keep a record of the certificate. It is encouraged that households keep a copy as well. The applicant must provide evidence of attendance of an approved Homebuyer Education Course prior to purchase. This is required to be submitted at time of Weighted Drawing.

5. Uniform Residential Loan Application

Applicants must provide a copy of the final Uniform Residential Loan Application at closing.

6. Occupancy Affidavit

No persons outside of the persons included in the household on the Weighted Drawing Entry Form and Intake Form at time of Weighted Drawing entry may be moved into the home without express written approval of the Housing Department. Approval will not be given within twelve (12) months from closing on a home for adults being added to the household. An Occupancy Affidavit will be required to be signed by buyers at or before closing. Any adult that is added to a household will be required to be added to title on the home or must sign an Occupancy Agreement.

7. Accessible Unit Preference

Applicants that wish to be considered for accessible units must submit a Verification Form for Accessible Unit Preference.

8. Critical Service Provider

Organizations applying for Critical Service Provider approval and their corresponding approved positions must gain approval before a critical service worker can gain points in a Weighted Drawing. The organization must complete a Critical Services Organization Application and submit it to the Housing Department. If the organization and positions are approved, a Supervisor Questionnaire must be completed by the applicant's supervisor and submitted with the other required documents when entering the Weighted Drawing. All certifications must be completed for the position and a recommendation from the supervisor is required. The Supervisor Questionnaire will need to be updated every six months.

9. Birth Certificate for Children Under One (1) Year of Age

Applicants must provide the birth certificate for children less than one (1) year of age.

10. Weighted Drawing Entry Form

A Weighted Drawing entry form must be completed and signed and submitted when entering a Weighted Drawing according to Housing Department processes. Weighted Drawing entry forms may be submitted online, in person, or by USPS.

No incomplete Weighted Drawing entry forms will be accepted. This means that every blank must contain information, "N/A," or a strikethrough so that the Housing Department knows that it was not overlooked.

The Housing Department is not responsible for receiving Weighted Drawing entry forms. It is the responsibility of the household to confirm that the Weighted Drawing entry form was received, and the household is entered in the Weighted Drawing.

11. Intake Form

All households are required to complete the Online Intake Form. This form must be completed in its entirety before entering a Weighted Drawing. Any changes made to the form must be made prior to the opening of an Affordable Weighted Drawing the household wishes to enter or the household will be ineligible to enter the Weighted Drawing. Households may make changes to their Intake Form if applying for Workforce Housing. The Intake form must be updated annually to be eligible to continue to enter drawings.

d. Verification of Application

To protect the interests of the community that has invested in the creation of restricted housing units, the Housing Department verifies that information submitted on the Application is true and correct and may request additional documents to assist in this process. The Housing Department strives to complete verification within two (2) weeks of application submittal.

Any material misstatement of fact or deliberate fraud by the household in connection with any information supplied to the Housing Department shall be cause for immediate expulsion from the application process and/or forced sale of the restricted housing unit.

e. Verification of Qualified Household

The Housing Department verifies that each Household selected to purchase a restricted housing unit meets the qualification and eligibility requirements specific to the restricted housing unit. See Section 3. Qualification and Eligibility for more details on the verification process for each housing program.

f. Qualification Letter

Once the Housing Department verifies that the household meets the Qualification and Eligibility criteria for the particular restricted housing unit, it will issue a Qualification Letter to the buyer, a copy of which will be provided to the title company upon request.

g. Purchase and Sale Agreement

Buyers must sign a "Purchase and Sale Agreement" within five (5) business days of the date of the Buyer Meeting with the Housing Department. Buyers will be given the five (5) business days to review the "Purchase and Sale Agreement" and are encouraged to get legal advice. Sellers and buyers shall make the Housing Department privy to the "Purchase and Sale Agreement." All financial information shall remain confidential except as noted in Section 5-1g.1. Privy to Purchase and Sale Agreement.

3. Inspections

The buyer may perform inspections on the restricted housing unit commencing on the effective date of the contract until closing. However, the buyer will have 30 days from the effective date of the contract to notify the Housing Department of any objections to items found during inspections. Sellers shall make the restricted housing unit available for inspections. If the seller refuses to remedy the objection, the Housing Department will notify the buyer, and the buyer will have three (3) business days to give notice to the Housing Department of their intention, either:

a. Waiving Objection

Waiving the objection and proceeding to closing, or

b. Termination

Terminating the Purchase and Sale Agreement.

4. Facilitation

5. Buyer's Acknowledgement

The buyers will be required to sign a "Buyer's Acknowledgement" at closing. This document will certify that the buyers acknowledge receiving a copy of the restrictions as well as agreeing to allow the Housing Department to release the sales price of the home. In addition, by signing this form, the buyer agrees to the JTCHA's right of first option to purchase the unit in case of default.

h. Purchase by Housing Authority

The Housing Authority through the Housing Department shall have the option (Option) to purchase any restricted residential unit for which an owner desires to sell, an owner is forced to sell, or the residential unit is in default of their mortgage or in foreclosure.

1. Owner Desires to Sell

In cases where the Housing Department desires to exercise their Option when the owner desires to sell their restricted residential unit, the Housing Department shall provide written notice to the owner of its election within thirty (30) days of receipt of Letter of Intent to Sell. Such notice shall include the purchase price and the timing for the closing of the purchase. The purchase price shall be the Maximum Resale Price as calculated by the Housing Department in accordance with the Special Restriction and the Housing Rules and Regulations or the appraised value, whichever is less. The seller shall not be required to pay a facilitation fee to the Housing Department. The Housing Department shall provide the contract and shall not be required to pay earnest money.

2. Owner is Forced to Sell

In cases where the Housing Department desires to exercise their Option when an owner of a restricted residential unit is found by the Housing Department to be in Default and is therefore forced to sell their home, the Housing Department shall provide written notice to the owner of its election within ninety (90) days of determination of Default. The notice shall include the purchase price and the timing of the closing of the purchase. The purchase price shall be the Maximum Sales Price as calculated by the Housing Department in accordance with the Special Restriction and the Housing Rules and Regulations. Notwithstanding the foregoing, the Maximum Sales Price will not include appreciation after the known date the owner went into default. This known date may be prior to the Housing Department's Notice of Default to the owner.

3. Foreclosure

In cases where the Housing Department desires to exercise their Option when the restricted residential unit is in foreclosure, the Housing Department must exercise the Option within ninety (90) days from the receipt of notification of a borrower Default of Mortgage or the property foreclosure.

FIRST, to the payment of any unpaid taxes.

SECOND, to the payment of any Qualified Mortgage.

6-2. Housing Department Program Rental Standards and Procedures

a. Affordability

To ensure that the rents are affordable to households earning less than one hundred twenty percent (120%) MFI, rents for Affordable units will be calculated using the following method (rents for Workforce units are set by owner and have no cap):

1. Standard of Affordability

The standard for affordability provided by HUD is that no more than thirty percent (30%) of a household's income should be spent on housing costs. Included in this thirty percent (30%) are rent, property tax, water, sewer, gas and/or electric, and trash removal. One parking space is required at no charge to the tenant unless otherwise approved by the Town Council or Board of County Commissioners.

2. Household Size for Rent Calculation

Studio units may charge eighty percent (80%) of a one-bedroom unit. Dorm units may charge seventy-five percent (75%) of a studio. See Section 3-3 for income ranges.

a. "Plus" Units

d. Selection Process

A unique process applies for selecting each qualified household within each housing program. The following sections provide specific details regarding the Housing Department-administered rental housing programs.

1. Weighted Drawing

When an Affordable rental owned by the Housing Authority is available, tenants will be identified through the Weighted Drawing process. Applicants will submit a complete application, which will be kept on file for one-year (Affidavits of Current Employment will need updating after six (6) months). Weighted Drawing entries for drawings entered within the one year will only need to submit a Weighted Drawing Entry Form assuming a complete up to date application is on file with the Housing Department. A qualified household shall be selected to rent according to the rules set forth in these Housing Department Rules and Regulations, Section 4.

2. First Come First Served

In the event no Weighted Drawing entries are received during the Weighted Drawing entry period, the selection process will be determined by a first come first served basis. The first qualified household submitting a complete application will be allowed an opportunity to rent if eligible.

e. Complete Application

Each household entering a Weighted Drawing to rent a restricted housing unit owned by the Housing Authority is required to submit a completed "Application for Restricted Rental Housing" or a "Weighted Drawing Entry Form. Weighted Drawing Entry Forms will only be accepted if a complete and up to date application is on file with the Housing Department. A certification page will also be signed by the applicant and notarized. In addition, an Authorization to Release Information is signed by the applicant, which allows the Housing Department to obtain banking information and any other relevant information. Application forms can be obtained from the Housing Department or from the Housing Department's website.

f. Verification of Selected Household

The Housing Department verifies that each household selected to rent a restricted housing unit meets the qualification and eligibility requirements specific to the restricted housing unit.

Low end of the 50% - 80% Income Range for 3-person household =

$(\$52,020 \times 30\%) / 12 = \$1,301$

SECTION 9. OTHER HOUSING PROGRAMS

9-1. Business Option

The “Business Option” is a mechanism specific to a developer’s Housing Mitigation Plan that must be approved by elected officials on a case-by-case basis. It only applies to exempt units, meaning restricted housing units that are not required by the LDRs. The “Business Option” allows a business to identify a proposed purchaser from their employees or someone who has a material nexus to the business or organization, which would allow the household to have the first option to purchase the restricted housing unit.

a. Purpose and Program Goals

The intent of the “Business Option” program is to help qualified businesses house their employees by providing the employees first option to purchase. This program furthers the Jackson/Teton County Comprehensive Plan’s goal of housing 65% of the workforce locally and its transportation goals.

b. Applicability

This section applies to restricted housing units that have been approved by the Board of County Commissioners or Town Council for the “Business Option” program.

c. Qualified Business

A qualified business is a non-profit entity, governmental entity, charitable foundation, or for-profit business which meets the definition of a qualified business according to the Special Restrictions on the property and/or the Housing Department Rules and Regulations.

1. Qualified Business Application

The business completes a “Qualified Business Application,” which can be obtained from the declarant or from the Housing Department and submits it to the Housing Department. If the business has affiliates, it must be indicated on the application.

2. Verification

The Housing Department verifies that the business meets the criteria of a qualified business with the following documentation. The Housing Department may ask for additional documentation.

3. Option Agreement

The Housing Department verifies that the business is a true Local Business, organization, or government agency operating in Teton County.

4. Determination of Qualification

a. Qualified Business Letter

The Housing Department will provide a “Qualified Business Letter” once the verification process is complete and the business is approved to be a qualified business. The Housing Department will then sign the “Option Agreement”; or

b. Not a Qualified Business

If the business is not deemed to be a qualified business, the Housing Department will inform the business with a written letter and copy the declarant or option holder. The business will not be allowed to obtain an option if it is not approved as qualified by the Housing Department.

c. Cause for Expulsion

Any material misstatement of fact or deliberate fraud by a business in connection with any information supplied to the Housing Department shall be cause for immediate expulsion from the application process and/or for obtaining or keeping an option.

d. Option Procedures

1. Obtaining an Option

Options are available from a declarant or from another option holder. A declarant can choose to provide an option if the business is a qualified business and does so by recording an “Option

Agreement” signed by the declarant, the Housing Department, and the qualified business. An option holder may provide an option to a qualified business by assigning the option.

2. Notice of Right to Exercise or Waive Option

The Housing Department will immediately send a notice to the business holding the option (optionor) upon the following three events:

1. Housing Department’s receipt of a “Notice to Sell” by the owner of the property.
2. Housing Department’s exercise of its default option as set forth in the Special Restrictions.
3. The occurrence of a default and forced sale as set forth in the Special Restrictions.

This notice triggers the timeframe the optionor has to identify a proposed purchaser as outlined in the “Option Agreement.”

3. Exercise of Option

An optionor shall have a time frame as outlined in the “Option Agreement” to exercise the option. The timeframe will begin upon receipt of the “Option Notice.” To exercise the option, an optionor must notify the Housing Department on or before the expiration of the timeframe that they have identified a proposed purchaser for the home. Additionally, the proposed purchaser must submit a complete application, as outlined in Section 5-4c, on or before the expiration of the timeframe. The Housing Department will take approximately five (5) business days to determine whether the proposed purchaser is:

1. Qualified under “Option Agreement.”
2. Qualified under terms of the Housing Department’s Special Restrictions.

The Housing Department will verify that the business continues to be a qualified business each time the option is exercised (See Section 5-4c).

4. Waiver of Option

If the Optionor does not wish to exercise the option, they can sign the “Affidavit of Waiver” indicating they are waiving the option. This affidavit will be recorded with the Teton County Clerk’s Office.

In the case where an option is waived, the Housing Department will find a buyer using the process outlined in Section 4 of these Housing Department Rules and Regulations.

a. Failure to Identify Purchaser during Required Timeframe

If the optionor does not identify a proposed purchaser on or before the expiration of the timeframe, the optionor will automatically have waived their option.

5. Assignment

An optionor can assign its option to another qualified business. If at any time the business holding the option ceases to be a qualified business, they must assign the option. This is done using the following process:

a. Written Notice

The optionor provides the Housing Department with written notice that they wish to assign their option.

b. Application

The business that is being assigned the option submits an application to the Housing Department to become a qualified business (see Section 5-4c).

c. Housing Department Approval

If the business qualifies, the Housing Department will provide a “Qualified Business Letter” to the business and sign the “Option Agreement.”

d. Consideration

The assignment may not have any consideration except for consideration required to make the assignment legal.

e. Qualified Purchaser

The Housing Department will determine whether a household is qualified to purchase based on the following criteria:

1. Letter of Certification

The purchaser will be qualified by the Housing Department only if they have a material nexus to the optionor as approved by the Housing Department. A “Letter of Certification” form demonstrating the material nexus the proposed purchaser has with the Optionor must be completed by the optionor. The “Letter of Certification” form is available from the Housing Department. The optionor must deliver documentation satisfactory to the Housing Department that verifies (1) that the proposed buyer is a full-time employee of optionor; or (2) that the identified purchaser otherwise has a material nexus to optionor.

2. Qualified Household

A Household will be qualified by the Housing Department using the Application and Verification process outlined in Section 3 of the Housing Department Rules and Regulations.

If the identified purchaser does not qualify because of not meeting the Housing Department Rules and Regulations requirements, Housing Department Special Restrictions, or “Option Agreement,” and the timeframe has not expired, the optionor may identify another proposed purchaser.

3. Affidavit of Exercise

When the Housing Department determines the household meets qualifying criteria of the “Option Agreement,” these Housing Department Rules and Regulations, and Housing Department Special Restrictions, the Housing Department will sign an “Affidavit of Exercise of Option Right” indicating the household is qualified. The optionor will also sign the “Affidavit of Exercise of Option Right” indicating they are exercising the option right. The affidavit will be recorded with the Teton County Clerk’s land records.
