

Teton County Integrated Solid Waste & Recycling Trash Transfer Station Sorting Policy Manual

Transfer Facility Information:

Location: 5400 US-89, Jackson, WY 83001; about 5 miles south of High School Road on the east side of South Highway 89.

Phone: ISWR Office & Recycling Center (307) 733-7678

Web: <https://www.tetoncountywyo.gov/298/Integrated-Solid-Waste-Recycling>

Hours of Operation:

Monday – Friday:

Summer (mid-May – mid-October) 7 a.m. – 3 p.m.

Winter (mid-October – mid-May) 8 a.m. – 3 p.m.

Saturday: (year-round) 9 a.m. – 1 p.m.

General Policies:

- **All Loads Must be Sorted in compliance with the following Sorting Policy Manual.**
- **All loads entering the Trash Transfer Station are subject to inspection by Teton County personnel and Teton County’s designated contractors at the Trash Transfer Station, Yellow Iron and Terra Firma Organics.**
- **Teton County is authorized to impose a sort fee of \$325 / ton on unsorted loads.**
- **At Teton County’s discretion, Teton County personnel and Teton County’s designated contractors, are authorized to reject all contaminated loads.**
- **Concrete cannot be unloaded into the Trash Building.** Staff will direct you to the concrete pile.
- **All loads must be tarped. Un-tarped loads are subject to a fee.**
- **For all Demolition Loads, contractor must provide Asbestos testing** prior to disposal. Please contact 307-733-7678 for information.
- **For all Demolition Loads delivered to the Trash Transfer Station, contractor must provide 48 hours’ notice prior to disposal.** Contact 307-733-7678.

Load Sort Policy:

Loads must be sorted according to the criteria below. Unsorted loads, or loads containing material that does not meet specifications, may be rejected. If an unsorted load is not rejected, a **SORT FEE of \$325** per ton may be assessed for the entire load.

Material	Disposal Site	Tip Fee
Minimum Tip Fee		\$10.00
Concrete/Masonry Block 2’x2’x2’ • No protruding steel, rebar, or wood; • Must be separated from other materials.	Concrete pile; not Trash Building	\$88 / ton

<p align="center"><u>Construction / Demolition Debris</u></p> <ul style="list-style-type: none"> • Permitted Demolition material; • Wood that cannot be cleaned of contaminants such as glue, foam, tar paper, stickers, dry wall, etc.; • Laminate, particle board, MDF board or similar products; • Metal larger than 1/8" in diameter; • Electrical wiring; • Zip System® sheathing; • Windows or any glass; • Entire truss structures. (Truss plates and bolts should be cut out). • <i>must be cut to three-foot length.</i> 	<p align="center">Transfer Station tip floor</p>	<p align="center">\$129 / ton</p>
