

## MEMO

**To:** Teton County Board of County Commissioners  
**From:** Ryan Hostetter, Principal Long-Range Planner  
**Date:** February 15, 2022  
**Subject:** LDR Text Amendment (AMD2021-0006) Postponement Request

---

The above-referenced application, AMD2021-0006, concerning Wildlife Feeding and Bear Conflict Area Standards, was originally scheduled to be heard before the Board of County Commissioners at its February 15, 2022, meeting. However, during the January 24, 2022, Planning Commission hearing, the Planning Commission continued this item to their February 28, 2022, meeting. Because of this, staff is requesting a postponement of this item for the Board's review.

Staff respectfully requests that the Board postpone AMD2021-0006 to **April 12, 2022**, so that staff and the Planning Commission have ample time to consider public comments and incorporate any changes prior to the Board's review.

**Suggested Motion:**

"I move to postpone AMD2021-0006, Wildlife Feeding and Bear Conflict Area Standards, to the meeting of April 12, 2022, to allow staff and the Planning Commission more time to draft and make recommendations on the proposed text amendments."
