S-A	BUDGET MESSAGE	W.S. 16-12-403 (c)
<p>Our budget needs remain the same as in previous years. We continue monitoring our District roads to make repairs caused by winter snow and spring/summer run off and rain. We did pass a motion to charge \$50.00 per month for renters using our district roads in May of 2021 and continue to collect that fee from two property owners. We continue to accumulate money flagged to make improvements on our 20 year old water system. We have been able to keep repairs to a minimum to date. We have budgeted to accumulate \$13,500 per year barring additional repairs and excluding the cost of the propane and the propane tank location at our Spring. We have had discussions recently about exploring pricing for a community well, adding another holding tank and how we will fund the new construction. We have concerns about our Spring water source, the water supply, and possibly adding more residents as now owners build on their properties. We also have concerns about replacing water lines as we have fought breaks in our lines that can be quite costly. We do not have many funds available in our road budget due to the increase in our plowing expenses in the winter of 2022-2023, however we have enough to cover some base and grading. Additional road funds will be used for winter snow plowing and maintenance of the access road to our properties. We are given notice of any increase to this maintenance in October of each year. Our Board is proposing the budget to remain the same for the 2023-2024 fiscal year.</p>
