S-A BUDGET MESSAGE W.S. 16-12-403 (c)

The Spring Creek Improvement and Service District budgets and assesses for various accounting, administrative and indirect costs of the District, ongoing operating and maintenance expenses related to the roads, water and sewer systems, and debt service for SLIF Loans and a Wells Fargo Bond. The District also budgets and assesses provisions for general road improvements, and for general water system improvements and capacity expansion. If any of those funds are not expended for repairs, replacement or improvement of the road, water and sewer infrastructure or for debt service in the budget year, then those funds accumulate in the operating fund of the District with the intent of using those funds for projects in future years. With no employees, the District utilizes local professionals and service providers to address the day to day affairs of the District. The District annually engages an accounting firm to perform a full audit of its books and records.
