For Immediate Release

WILSON BOAT RAMP CLOSURE UPDATE

September 6, 2023, Jackson Wyo. – Teton County/Jackson Parks & Recreation has met with our contractor at the Wilson Boat Ramp and are currently working to ensure access to Wilson Boat Ramp through October 1st, 2023 with ramp closure effective October 2, 2023. As of today we are still coordinating and evaluating impacts to ensure access for river users and the public through the month of September. There will likely be limited impacts with respect to traffic access and parking constraints during the month of September. Staff will work with the contractor to ensure safe access and provide regular updates as they are worked out. First update will be by Tuesday September 12th, sooner if possible.

For questions or concerns, please contact TCJPR Parks Superintendent Andy Erskine at aerskine@tetoncountywy.gov or Senior Technician Cody at cdaigle@tetoncountywy.gov.
