Outdoor Hard Courts Remain Open Due to Favorable Weather Conditions

October 11, 2024, Jackson Wyo. -Teton County/Jackson Parks and Recreation will keep the Town and County outdoor hard courts open longer than originally planned due to favorable weather conditions.

Town and County outdoor hard courts will remain open through Friday, October 18. Staff plan to remove wind screens and will leave nets up until weather conditions change. Lighting at the Miller Park courts will remain on through next week to allow for evening access.

In addition, staff will increase agronomic practices in Town and County parks over the next month to ensure turf health and successful overwintering. Staff still anticipate opening the seasonal dog park at the Teton County Fairgrounds during the first week of November.

The public is encouraged to visit the Parks and Recreation website and social media accounts for the most up to date information regarding seasonal closures and openings. For questions or concerns, please e-mail Parks Superintendent Andy Erskine at aerskine@tetoncountywy.gov or Parks Operations Manager Dan Bierman at Dbierman@tetoncountywy.gov.
