For Immediate Release

Fairgrounds Ice Rink to Open Today

December 11, 2024, Jackson, Wyo. – Teton County/Jackson Parks and Recreation staff are in the final stages of prepping to open County and Town managed ice rinks for the winter season.

The ice rink located at the Teton County Fairgrounds is expected to open Wednesday, December 11 at Noon with lights staying on until 9:00 p.m. each night. Parks staff are working on the ice building process at Owen Bircher ice rink in Wilson and expect it to open in a few days.

The Powderhorn and Alta ice rinks need more snow for ice building. Staff hope the process can begin early next week with an opening date to be determined.
