## Owen Bircher Ice Rink Now Open

**December 13, 2024, Jackson, Wyo.** – Teton County/Jackson Parks and Recreation staff are in the final stages of prepping to open County and Town ice rinks for the winter season.

The ice rink located at Owen Bircher Riding Arena in Wilson is now open with lights staying on until 9:00 p.m. each night. Signs at each ice rink provide a QR code and link to operating hours and the reservations calendar.

The Powderhorn and Alta ice rinks need more snow to allow ice building. Staff anticipate starting the process early next week with an opening date to be determined.
