## **Town and County Ice Rinks Closed for the Season**

**February 24, 2025, Jackson, Wyo.** – Due to warm temperatures and rain, all Town and County ice rinks are closed for the winter season.

A winter service level survey will be released in March to allow the community an opportunity to provide comments and suggestions on winter service level operations.

Teton County/Jackson Parks staff would like to thank the community for a great winter skating season.

As Teton County/Jackson Parks transitions into spring operations, please visit the Teton County/Jackson Parks and Recreation website for updates at
