## **Seasonal Dog Park Set to Open this Week**

**November 3, 2025, Jackson, Wyo.** Teton County/Jackson Parks and Recreation is installing the seasonal dog park on the west side of the County Fairgrounds lot, with an opening date of Wednesday, November 5.

The dog park will be open daily from sunrise to sunset through May 1, 2026, depending on weather conditions.

PAWS of Jackson Hole, a nonprofit partner, will provide mutt mitts and manage refuse collection to ensure proper disposal. Staff ask pet owners to be courteous of others and to clean up after their pets.
