For Immediate Release

Fairgrounds Ice Rink to Open on Saturday

January 9, 2026, Jackson, Wyo. – Teton County/Jackson Parks and Recreation is pleased to announce that the Teton County Fairgrounds ice rink will open for skating on Saturday, January 10, with lights on until 9:00 p.m. Please visit Parks & Recreation's Winter Operations webpage for more information on ice rinks, including access to the activities calendar.

<https://www.tetoncountywy.gov/2822/Outdoor-Ice-Rinks>.

This season, Parks & Recreation will expand the ice surface at the Fairgrounds, where public access and parking are more convenient, and will not build a rink at Powderhorn Park. This change will allow staff to open the Powderhorn ball field earlier this spring.

The Owen Bircher rink needs additional preparation before it can safely open, but staff anticipate having it ready by early to mid-next week.

For more details on winter operations, visit:

<https://www.tetoncountywy.gov/1353/Winter-Operations>.
